At Moto-Trek we use the most up to date technology and CAD systems to design our motorhomes. Our highly trained designers and engineers can tailor design a vehicle to suit your requirements.

MOTORSPORT RANGE

We also produce a specialised range of motorsport trailers and vehicles ideal for all forms of motorsport.

Our unique and stylish transporters vary from specialist trailers which can incorporate luxury overnight living accommodation, from the compact Tornado Transporter to luxury coachbuilt vehicles up to 26T.

TORNADO TRANSPORTER

The compact Tornado Transporter is the ideal vehicle to carry up to two competition motorbikes or go-karts with overnight accommodation for up to 3 people and seat belted seats for up to 5. The living area provides all the essentials for a comfortable overnight stay, with a fixed double bed and dining area. The ample size garage creates great storage with anti-slip flooring, wall protection and lashing points, which can be positioned to suit. The 3500KG Tornado Transporter can be tailor made to suit your requirements, quotations available upon request.
