

# MORELO EMPIRE LINER 2017

ENGLISH

**MORELO**  
FIRST CLASS REISEMOBILE

# YOUR NEW DREAM HOUSE AWAY FROM HOME

**Actually we are not friends of superlatives.** Nevertheless, we have built one. The MORELO EMPIRE LINER. Little example? With up to six tons, it has a higher payload capacity than most other motorhomes weigh in total. And also it looks stunning. Never before have windows and doors so elegantly been integrated in the side wall, has never been a motorhome so elaborately constructed. Until now.

# A KINGDOM ON WHEELS

**From everything only the best and of course even more.** This is how we have conceived, designed and built the MORELO EMPIRE LINER. For example, the graphic lights with their elaborately integrated light conductors or the elegant natural stone decor in the bathroom. Only two of countless, precious details.

# DECLARE YOUR AUTONOMY

**A good feeling does not need a fixed location.** With a well-equipped kitchen and a luxury bathroom, you can enjoy the freedom to be at home everywhere. Because here you have everything you need to turn your personal favorite place into a standard destination.

# YOUR SPA AREA TO GO

**What would be a moving dream home without a luxurious bathroom?** In any case, only half as nice. From the elegant real glass rain shower to a chic natural stone decor, we have come up with many highlights for your well-being.

# EVEN THOUGH IT IS DARK YOU ARE LIGHT YEARS AHEAD

**The sun goes down, our concept works.** Using the latest fiber optic technology we create an intimate atmosphere which is only surpassed by the starry sky. Do you have to specially go outside? Not in the EMPIRE LINER. Just open the huge panoramic roof window and enjoy wonderful evenings for two.

## MORELO EMPIRE LINER 100 GB PEARL

Mercedes Atego 1230, 2017 model, XL-model

Total length (mm): 10.290

Total width (mm): 2.500

## STRUCTURE . FOLDING BED . LIVING ROOM + BEDROOM . KITCHEN

STRUCTURE	Side walls and roof are 52 mm thick, 50 mm of which consists of closed-cell RTM hard foam
	Aluminium side bars on the roof, with rainwater channels to help keeping side walls clean
	Side walls in ALU-RTM-ALU sandwich design, smooth and high-gloss
	Roof in GRP-RTM-ALU sandwich design, hail protection and low heat conductivity
	Underfloor in GRP-RTM-GRP sandwich design, robust, corrosion-free, no timber used
	Cold-bridge-free wall joint technology, using highly compressed rigid PU profiles
	Garage door with electrical unlocking
	Lightning protection, Faraday cage
	Heatable double floor, approximately 480mm high, side access via external flaps
	Security Class' electrical entrance door, keyless, with window, flyscreen and mechanical emergency unlocking
	Interior entrance step, heated, with two incorporated pull-out drawers
	Exterior entrance step 3-step, very sturdy, lighted, electrically extendable with safety circuit
	Rear garage, doors to the right and left, floor rails with lashing eyelets and 230 V socket (not for G models)
	Rear wall with fibreglass compound sandwich design, PU foam core
	Genuine glass windows in living area, double-glazed and tinted, collapsible outwards, with pleated blackout blind and flyscreen
	LED lighting in double floor
	Entirely wood-free exterior structure
	Front and lateral skirting, from highly sturdy fibreglass compound
	Outside applications in real glass, black
	Rear garage hatch with electrical opening and closing, only for G-models
LED lighting at the side walls with motion detectors	
Sturdy handle for easy entry, backlit	
FOLDING BED (OPT.)	Skylight, with flyscreen and pleated blackout blind
	Comfort bed suspension with multi-zone cold foam mattress
	Lying surface approximately 2.100 x 1.330 mm
	Dividing curtain

LIVING ROOM + BEDROOM	Floor covering made from easy-care, high-grade vinyl	
	Flat living area floor, from the rear to the dashboard	
	Midi roof window, with flyscreen and pleated blackout blind in the bedroom	
	Double-glazed, panoramic roof window with flyscreen and pleated blackout blind in the living area	
	Lighting canopies with LED spots incl. indirect lighting, dimmable	
	Rear bed comfortably suspended with EvoPore multi-zone mattress and "water gel"- topping, with adjustable head part	
	Wardrobes with LED lighting	
	Microfibre upholstery, including driver and passenger seats	
	Multifunctional couch with ergonomic upholstery, and 2 belted seats in the direction of travel	
	Seating group with ergonomic upholstery, comfortable multi-layer design with diol-based padding and zip fasteners	
	Extensible, sturdy table, with extensive sliding range	
	Open wardrobe at the entrance incl. LED lighting and small pull-out furniture	
	Sockets in the living area and in the bedroom	
	Wall and ceiling panelling with artificial leather, smooth finishing	
	KITCHEN	190l AES refrigerator, with separate freezer compartment, automatic and manual energy selection
		Mineral material kitchen worktop with seamlessly integrated wash/waste bowl, deep pull-out drawers in the kitchen block, Nespresso coffee machine and domestic drains
		3-flame stainless steel 'luxury' gas cooker, installed countersunk with automatic ignition and glass cover
		Extractor fan over cooker
Single-lever mixer tap, chrome		
Drawers with super-soft closing and cutlery compartment		
Pull-out waste bin with two removable bins		
LED spots, in lighting canopy		
Sockets 2 x 230 V

**MORELO**  
FIRST CLASS REISEMOBILE

**MORELO Reisemobile GmbH** · Helmut-Reimann-Straße 2 · D-96132 Schlüsselfeld · Fon: +49 (0) 95 52 - 9296 00 · [www.morelo-reisemobile.de](http://www.morelo-reisemobile.de)

**The contents of this brochure contain excerpts from design studies for the MORELO EMPIRE LINER. For a detailed technical realization MORELO Reisemobile GmbH grants no guarantee.**

Subject to technical changes and errors. Please note that some of the illustrations in this catalogue show alternative designs or optional extra fittings, which would incur additional costs. Variations in colour may arise during printing. This document, including extracts thereof, may only be reproduced with the written permission of MORELO Reisemobile GmbH.

The prices listed for vehicles and extras apply to their purchase and licensing in Germany. They are given in Euro and include VAT at 20%. We reserve the right to adjust prices accordingly in the event of VAT increases during the delivery period. All prices represent nonbinding recommendations ex works. Price changes for basic vehicles will cause price adjustments based on the additional price for the basic vehicle. The prices for extras are only valid if they are fitted in the factory and scheduled in due time. Retrofitted extras will incur additional material and assembly costs. Prices include ancillary costs for pre-shipment of the chassis and TÜV certification. We reserve the right to make technical modifications, providing overall product quality is maintained or improved and there is no restriction in terms of the designated use.

**This price list applies to orders as from the 1st of August 2016.** All previous price lists will cease to be valid. Errors and omissions excepted.

<sup>1</sup>The mass of the vehicle in running order includes: driver (75 kg), full fuel tank, 100 litres of fresh water, full gas bottles, tool kit and spare wheel. The fitting of extras and accessories may alter the weight and dimensions. All dimensions and weights are based on the knowledge available at the time of going to print. Deviations of +/- 5% are possible and deemed acceptable.
