FIRST CLASS REISEMOBILE . MADE IN GERMANY

MORELO
FIRST CLASS REISEMOBILE

MANY SPECIALISTS. ONE GOAL.

Our goal is to exceed expectations. For this reason, we work with carefully selected companies—and only the best. From the air suspension for unmatched ride comfort to the battery-powered screwdriver, in production, we select each and every one of our suppliers with the greatest possible care. This ensures that every MORELO is a First Class Reisemobil.

Jochen Reimann, Managing Director

Reinhard Löhner, Managing Director

VB-AIRSUSPENSION

This air suspension specialist makes our motorhomes even safer and more convenient thanks to improved roadholding and optimised stability. Numerous additional functions turn quality into premium quality.

www.vbairsuspension.co.uk

IVECO

We build on a stable foundation. The Iveco chassis ensures absolute brand-name quality. Rugged, stable and durable – we and our partners are so confident of this that we give you a two-year mobility guarantee.

www.iveco.com

TEN HAAFT

Outstanding satellite systems for a diverse range of programmes and top-class convenience is yours thanks to Ten Haaft. Exceptional service, intelligent technology and top quality on all channels for your entertainment.

www.ten-haaft.com

DOMETIC

A strong partner for many needs, Dometic provides the solutions. From the refrigerator to the air-conditioning system in the living room to the skylight, this company outfits our motorhomes with high-quality products.

www.dometic.co.uk

FAHRZEUGBAU MEIER

Our top-of-the-line partner in chassis conversion, ensuring that every last detail we install is sheer perfection. In addition, Meier Fahrzeugbau offers first-class corrosion protection for the underbody, which gives a tremendous boost to the service life of our luxury motorhomes.

www.fahrzeugbau-meier.de

ALDE

Intelligent heating solutions that ensure the best possible climate and provide clever control with the Smart Control App win us over as well as our customers.

MORELO HOME FREEDOM REDEFINED

The MORELO HOME surrounds you with luxury and gives you a home on the move.

You will feel like you are at home, even halfway across the world.

Because you are.

WELCOME HOME

There is no place like home.

Climb on board your MORELO and
drive into the whole wide world.

COCKPIT

WANDERLUST GETS AN UPGRADE

Your MORELO opens the world to you.

The next unforgettable experience
is already waiting for you.

49°44'49.881" N
10°38'36.609" E

Unintended detours often take us to the most interesting places.

Still, we would be happy to install a
navigation system for you.

A NEW HOMETOWN WHEREVER YOU GO

It's not where you are that counts. It's where you live.

Wherever your wanderlust takes you, a MORELO makes
every destination a new home.

FOUR WALLS. ONE PASSION.

Answer the call of the road every time.

Enjoy relaxing in your MORELO at the end of your day.

Is there anything better?

FOODIE DELIGHTS WHEREVER YOU ARE

Italian cooking in Copenhagen.

That's how we define
international cuisine.

KITCHEN

HAUTE CUISINE

Sun-ripened tomatoes, fresh porcini, handmade pasta.
And the most important ingredient of all. The excellent
kitchen in your MORELO HOME.

BATHROOM

FOREIGN LANDS, FAMILIAR BATHROOM

There's nothing like the comfort of your own bathroom.

Being able to take it everywhere
you go is a luxury.

COMFORT LIKE AT HOME.

If this bathroom did not offer everything you wanted,
it would surely not be
a bathroom in a real MORELO.

GOOD NIGHT GOOD DAY

Out of your jeans and into your comfort zone.

There's no better place to end a day.

Or to start one.

LATE RISERS WELCOME

Extra-long beds in a motorhome?

Not a problem in a MORELO.

It's a matter of course.

KINGS AND QUEENS

We don't know who first used the term "queen-size bed."

One thing we are sure of: the comfortable sleep it offers
is a royal luxury.

EVERYTHING HAS A PLACE HERE

Scooters, bicycles, picnic basket, grill and maybe even an inflatable boat?

Luxury means not having to worry
about having enough stowage space.

WINTER IS KEPT OUTSIDE

A MORELO is at home anywhere in the world – even at the Arctic Circle when it's minus 36 degrees outside.

Well-designed climate control technology keeps it nice and warm inside at all times.

Allowing you to relax and watch the frost patterns grow and the skiers go by.
