STEP INTO A RANGE THAT SUITS YOU

Committed to providing exceptional value for money, Swift Group continue to make impressive increases in specification and user-friendly technologies, delivering even greater performance.

With six exciting ranges there has never been a more compelling time to choose a model from the Swift Group.

17 ESCAPE
Completely redesigned, the Escape is one of the UK's best selling motorhome ranges.

29 BESSACARR
Inside and out the Bessacarr is still the best in its class with a proud heritage.

43 RIO
The Rio offers coachbuilt luxury in the size of a panel van.

55 BOLERO
The Bolero features eye-catching style inside and out.

67 KON-TIKI
Kon-tiki is supremely stylish and spacious with a full luxury specification.

79 AUTOCRUISE SELECT
The new Autocruise Select range is incredibly versatile with more choice.

Bringing you the best

WHERE THE HEAD MEETS THE HEART

Your head says you need a motorhome that's durable, functional, comfortable, safe and secure. Your heart wants great design and a great choice. With Swift Group you can have the best of both worlds with the backing of a company established over 50 years.

DURABILITY

- Unique SMART Plus construction system on coachbuilt models
- Rigorous safety testing at Millbrook and cold chamber testing down to minus 15°C and beyond puts prototypes through conditions most products will never have to experience in a lifetime, this is all part of the Swift ethos to deliver the best product possible to you
- **New** balanced panel side walls with GRP outer and inner skins. GRP is more impact resistant than aluminium and can be easily repaired, ensuring long lasting good looks and securing your investment for the future
- Assured build construction with a manufacturer backed, free 10 year bodyshell warranty as standard on all coachbuilt motorhomes

SMART⁺
PLUS

Developed in conjunction with

SARGENT

Truma

FUNCTIONALITY

- Significant advancements in design and storage that optimise your living and sleeping space giving greater comfort
- A host of money saving developments including improved fuel efficiency and use of low energy lighting
- Truma dual fuel heating or Alde heating
- Swift Command system, developed with Sargent Electrical, on all ranges
- Use of Computational Fluid Dynamics to help shape the bodyshell for better fuel consumption

COMFORT

- Grade III classification of thermal insulation for all year round comfort
- Sprung beech slats for comfortable seating and sleeping
- Regency 100% bleach cleanable carpets designed to repel everyday spills, stains and dirt
- Exclusive Duvalay Duvalite mattresses on fixed beds with memory fibre technology

duvalay
bedtime luxury...anywhere

SAFETY AND SECURITY

- All Swift Group products are certified by the National Caravan Council to ensure they are both legal and safe
- All Swift Group motorhomes have European Whole Vehicle Type Approval to ensure compliance with strict weight, dimension and safety requirements
- Security includes a Thatcham Category 6 approved pro-active tracker as part of the Swift Command system (Subject to annual subscription)

STYLE AND CHOICE

- Modern desirable looks inside and out
- Models from entry level to top of the range luxury cater for a wide range of budgets
- Choice of motorhome vehicle weights starting at 3.3 tonnes

ESTABLISHED FOR OVER 50 YEARS

- Experienced company with over 50 years of manufacturing knowledge and dedicated long serving craftsmen
- Europe's No1 manufacturer of Caravans, Motorhomes and Holiday Homes
- Swift Group undertakes what is probably the most extensive research and testing programme in the industry to ensure the design team can create products that set the industry standard for style, value and practicality
- Recycling waste and reducing carbon emissions is a fundamental part of the Swift ethos and initiatives are always underway to achieve further improvements wherever possible
- At the forefront of product design with exceptional style, inside and out, just wander into any Swift Group dealership to see for yourself

DEDICATED CUSTOMER CARE

- We believe our after sales and customer care are the best in the industry - check out our customer testimonials at swiftgroup.co.uk/swift-group/testimonials
- **Swift Connect** - A multi million pound investment programme in online technology enables dealers not only to order online, including spare parts, but also to check product availability and delivery dates
- **Swift Talk** - Swift Group's own dedicated social media site is the industry's most popular social networking site with over 17,000 members. Swift Group staff monitor the forum and answer questions daily, providing invaluable help and support where they can to customers. A number of key suppliers and dealers are also active Swift Talk forum members too

SwiftTalk
Social Network for Caravan and Motorhome Enthusiasts

- **Connect Direct** - Connect Direct is our exclusive after sales service for the ultimate in customer care. It is an online system, which provides each owner with a personal profile, with the ability to make the experience of owning their motorhome even more unique. It is now available on all 2017 models.

STEP INTO SMART+ CONSTRUCTION

As the UK's leading leisure vehicle manufacturer, the Swift Group undertakes what is probably the most extensive research and testing program in the industry and we are constantly looking at new and better ways to construct our products. SMART is the basis of our intelligent construction system that is used across our entire coachbuilt motorhome ranges.

Enhanced for the new season, SMART Plus takes the proven technology which provides a Strong timberless body frame with Modern desirable looks and a leading Aerodynamic shape that is highly Resilient to moisture, all wrapped up in a motorhome that has undergone the most comprehensive Testing. **For 2017 new balanced panel side walls with GRP outer and inner skins are added.** With the GRP outer to the sandwich floor and hail resistant GRP roof, the full outer bodyshell of the motorhome is now GRP making it even more resilient.

Carefully developed, SMART construction was only introduced once we were satisfied that it was truly fit for purpose. Computer numerically controlled (CNC) cutting is used in the manufacturing process to provide accuracy and consistency time after time, to produce a high quality engineered product designed to give you a lifetime of SMILES.

SMART Plus features on all coachbuilt motorhomes

STRONG

The Strong timberless body frame uses 'PURE', a tough, hard polyurethane based product, that is totally impervious to water and has been proven through use.

MODERN

The SMART construction system uses Modern materials and has been developed to ensure the exterior profiles maintain the Modern desirable looks our motorhomes are renowned for.

AERODYNAMIC

We continue to lead the way in Aerodynamics using Computational Fluid Dynamics to help shape the bodyshell for better fuel consumption.

RESILIENT WITH NEW GRP SIDE WALLS

New balanced panel side walls with GRP outer and inner skins. GRP is more impact resistant than aluminium and can be easily repaired, ensuring long lasting good looks, securing your investment for the future.

All fixings are made into the 'PURE' material to a pre-defined depth. 'PURE' is totally impervious to water and has no veins. This means there is no passage for water from the outer skin to the inner wallboard, making the motorhome highly Resilient to moisture.

TESTED

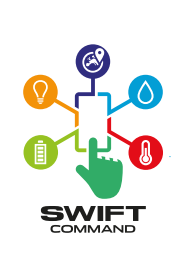

Extensive safety and durability Testing at the Millbrook track, and cold chamber Testing down to minus 15°C and beyond puts prototypes through conditions most products will never have to experience in a lifetime; all part of the Swift ethos to deliver the best products to you.

FLOOR CONSTRUCTION

'Sandwich' floor construction with ply upper, high rigidity Styrofoam core and GRP outer skin to provide greater durability from the elements.

Developed in conjunction with

SARGENT

STEP INTO MORE CONTROL

At the Swift Group we're continually looking for ways to enhance your enjoyment of the outdoors. Swift Command is a real innovation designed to make your touring experience even more carefree.

Now available across the entire range, this convenient technology makes it easy to manage, monitor and control your onboard systems leaving you free to enjoy your precious leisure time.

Head to the Apple or Android store and search for 'Swift Command'.

The perfect tool for touring, Swift Command technology includes a smart LCD control panel that has enhanced functions.

There is also an exciting, free downloadable 'app' that links to the Swift Command unit, so you can be in control wherever you are with the convenience of your mobile device.

Access the clever onboard interface when nearby with Bluetooth or via your internet connection when remote. Track system levels like power, temperature, humidity and monitor the location of your vehicle.

Custom notification settings keep you informed of functions such as battery levels, frost alerts and alarm status.

For even greater peace of mind you can subscribe to the newly incorporated Thatcham Category 6 approved pro-active tracker to add extra security to your vehicle.

Swift Command Tracker by Sargent is monitored by an approved monitoring centre which operates 24 hours a day 7 days a week and provides European coverage and direct police liaison. This system is ready for use, all you need to do is purchase a tracking subscription by visiting www.swiftcommand.co.uk or calling Sargent on 01482 881655.

LIGHTING

Create just the right ambience onboard with easily adjustable lighting settings.

LOCATION AND REMOTE FEATURES

Connect to your leisure vehicle from anywhere to view its systems information and location.

Conveniently control and monitor your onboard services when away from your vehicle.

WATER

Keep an eye on your precious water levels so you know in good time when to top-up.

POWER

Track your energy use and manage your batteries for efficient use of your all important power services.

HEATING

Activate whilst out exploring and enjoy the warmth when you get back.

STEP INTO CONNECT DIRECT

WHAT IS CONNECT DIRECT?

Connect Direct is an online system which personalises each customer's experience of owning their motorhome. The system is now available across the entire range.

HOW DOES IT WORK?

Once you have logged on and created your profile, you will be able to access a whole host of information, specific to your motorhome. In addition you will be able to have a direct line into the retail team, with the launch of a live chat facility.

Should a problem occur, you will be able to report a fault to us directly, enabling us to react

quickly and work together with your dealer to take the problem away from you the owner and resolve the issue as quickly as possible.

Product upgrades and notifications will be sent via Connect Direct keeping you up to date over the coming years. This online system provides a direct route for you into the Swift Group, and enables us to provide you with pro-active Customer Service support, enhancing your experience.

Connect Direct is in addition to the traditional methods of contacting us.

The key benefits of Connect Direct are:

- Access to information 24/7
- Ability to report faults directly to us
- Product upgrades and notifications
- Live chat direct into our experienced retail team
- Upload service history records
- Service history reminders

CUSTOMER CHAT

BUILT BY SWIFT

Swift Group's design team is widely recognised as the most innovative and creative within our industry, often leading the future design of touring vehicles.

DESIGNED AND ENGINEERED

With a wide range of backgrounds including the automotive and interior design sector, our degree qualified engineers and designers draw from a wide range of influences to style our future products. They have the use of computer aided design and 3D rendering to create and analyse ideas before a prototype is even built.

The latest 3D CAD software uses data to drive the CNC machines in the factory to create highly accurate toolings for construction.

AERODYNAMICS

Swift Group work with a leading company, who are also consultants to the Formula 1 industry, to use Computational Fluid Dynamics (CFD) to study the aerodynamics of their product design. A full 3D simulation study shows the airflow and drag and can be used to help shape the bodysells for better fuel efficiency.

RIGOROUS TESTING

Everything is designed using sophisticated software and data gathered from physical testing at the Millbrook proving ground including cold chamber testing down to minus 15°C and beyond. Swift Group are able to simulate how components, fixtures and fastenings will react under certain conditions allowing build optimisation. This results in well engineered robust and durable products.

EXCLUSIVES

Swift Group work closely to build partnerships with their suppliers to bring exclusive features to their products. These include the following features on top of our innovations:

- Ultra comfortable Duvalay mattress on all fixed beds
- Clever stain resisting SwiftShield fabric

THE SWIFT EXPERIENCE

COUNTRY • COAST • FREEDOM

THE SWIFT EXPERIENCE IS A CULMINATION OF OVER 50 YEARS EXPERIENCE MAKING LEISURE VEHICLES FOR YOU TO ENJOY THE GREAT OUTDOORS. OUR AIM IS TO MAKE YOUR HOLIDAY AS COMFORTABLE AND RELAXING AS POSSIBLE SO THAT YOU RETURN WITH A BIG SMILE ON YOUR FACE.

NOT YOUR AVERAGE TRIP TO THE COUNTRY.

Wake up to the sounds of nature, feel the morning dew on your feet, hold a cup of tea in your hand as you experience the sunrise over the hills and the sunlight streaming through the trees.

MOTORHOMES
MADE TO MAKE
YOU SMILE
- BUILT IN BRITAIN -

Morning breakfast made from the fresh local produce of the farm shop down the road, a bacon sandwich has never tasted so good. The days are full of possibilities; walking in bright green fields with sheep and cows, birds soaring high on the thermals and not a care in life, just anticipation of what is round the corner. Kids can be kids, running and playing, swimming in lakes, skimming stones, riding bikes, climbing trees and paddling canoes.

It's all about remembering the smiles on everyone's faces.

Live it. Experience it. Breathe it.

Adventure is allowing the unexpected to happen to you. Exploration is experiencing what you have not experienced before. How can there be any adventure, any exploration, if you let someone else - above all, a travel bureau - arrange everything before-hand?"

Richard Adlington, Death of a Hero.

THERE IS NO PLACE LIKE THE COAST

MOTORHOMES
MADE TO MAKE
YOU SMILE
- BUILT IN BRITAIN -

S Seagulls soaring, the sound of the waves lapping at the shore, sand between your toes and the fresh sea air, it's the simple things in life that bring the most joy.

Bucket and spade in hand, building sand castles, collecting shells and soaking up the sun on the beach with an ice cream or candy floss; it's what the seaside is all about.

With coastal parks a stone's throw away from seaside adventures you can enjoy a prime holiday location with all the comforts of home. Imagine the kids playing happily with new friends while you relax nearby and even the dog can come too.

As the end of the day draws to a close, you get to relax in the comfort of your own motorhome, head refreshed from the day's activities and ready for tomorrow's adventure.

With a Swift Motorhome you have the freedom to roam at your pace, in comfort and style. You can be spontaneous or carefully plan your break away to create precious memories and tales to treasure for a lifetime.

The ocean stirs the heart, inspires the imagination and brings eternal joy to the soul.

STEP INTO THE ESCAPE

2017 marks the complete redesign of the Escape range, Swift's best selling single coachbuilt motorhome range, and the results are stunning. Its new streamlined low profile exterior, fully revised interior and new model line-up are set to redefine the entry-level coachbuilt sector.

With newly enhanced SMART Plus construction and an expanded choice

of eight layouts, it's easy to see why this great value motorhome is so widely chosen by those looking for their first new motorhome or just great value.

Attractive pricing combined with great new features and enhanced styling are sure to make this season's Escape even more desirable.

STEP INTO THE NEW STYLE

The new panoramic sunroof, which comes as part of the great value Comfort Pack, allows plenty of natural light into the interior where new 'Nova' soft furnishings in shades of warm grey and sky blue are paired with 'Aralie Sen' woodgrain.

Matt white high level lockers feature chrome positive locker catches for safe and secure storage. Adding to the quality feel are new pleated cassette blinds to the windows.

Flexible seating and sleeping arrangements feature Swift's exclusive AirWave seating with a unique construction that expertly blends comfort and support. Fixed beds, including the new drop down bed, are topped with the ultra comfortable Duvalay Duvalite mattress, again exclusive as standard equipment to the Swift Group.

STEP INTO MORE OPTIONS

Most models feature a new L-shaped kitchen area with handy worktop extension and tall slimline Dometic fridge opposite, making a great working space for feeding a hungry family. Plentiful hot water is provided by the Truma Combi heating system.

Boosting specification levels further is the new Swift Command control system with optional Thatcham Category 6 approved pro-active tracker and enhanced Comfort Pack that features new reversing sensors. You can also specify a drop down bed and an additional travel seat on selected models.

ESCAPE FEATURES

Chassis-Cab

- Fiat chassis cab with daytime running lights
- **New** Fiat Euro 6 130bhp, 2.3 litre engine
- Dashboard design with fully integrated factory-fit DAB Radio/ MP3 player with Bluetooth and switch-off timing adjustable up to 3 hours
- Integrated radio aerial within electric wing mirrors
- Cab battery isolation switch to prevent discharge in storage
- Electrically operated and tinted cab windows
- Remote central locking of cab doors and immobiliser with rolling code
- Thermal cab window covers
- ABS brakes with EBD (electronic brake force distribution)
- Variable power steering
- Adjustable steering wheel position
- Driver's airbag
- Headlamp height adjustment
- Captains chairs with twin armrests and integrated headrest
- Central cup holder with slot for full width tablet and wall pocket for smart phone with USB port for charging
- Door pockets with bottle holders
- Driver and passenger seats with:
 - Position, height and rake adjustment
 - Swivels (except 622)
 - Two armrests
 - Fully upholstered covers
 - Base surrounds
- Cab carpet (removable)
- Spare wheel on under slung carrier (614, 622 & 664) (Fix & Go on 674, 684, 685, 694 & 695)
- 12V power socket and USB socket
- Dash mounted tablet holder

Living Area

- **New** 'Nova' soft furnishing scheme with two scatter cushions
- 'Aralie Sen' woodgrain with contemporary colouring
- **New** Matt white overhead lockers with push button chrome handles
- Lap and diagonal seat belts on all designated passenger seats
- High resilience foam in seats and backrests (150mm/6")
- Seat tops with beech slats, spring-assisted for easy access (except travelling seats)
- **New** Manual drop-down beds (614, 685 & 695 - optional on 674, 684 & 694)
- **New** Swift AirWave foam bedding for greater seating and sleeping comfort
- French Oak effect, high impact, scratch resistant floor lino
- Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable (664, 684 & 694 and drop down beds on 614, 685 & 695)
- Removable carpets
- Heki rooflight in lounge area with flyscreen and adjustable pleated blind
- **New** Pleated cassette blinds and flyscreens on all windows
- Removable entrance mat
- Smoke alarm
- Carbon monoxide alarm

Body and Exterior Equipment

- **All New** streamlined low profile look
- European Whole Vehicle Type Approval ensures compliance with strict weight, dimensions and safety regulations
- **Enhanced** SMART Plus construction with full GRP bodyshell
 - Strong, moisture proof 'PURE' Polyurethane timberless framed body shell with HD polystyrene insulation core
 - **New** Balanced panel 32mm sandwich side walls with GRP outer and inner skin
 - 'Sandwich' floor construction with GRP outer skin, ply upper and high rigidity Styrofoam core (44mm on 614, 622 & 664, 70mm on 674, 684, 685, 694 & 695)
 - **New** 31mm 'sandwich' construction hail resistant exterior GRP roof, fully bonded for extra strength and flatness
- **New** Full height closed mould GRP rear panel
- **New** GRP front low line pod
- **New** White extruded skirts link with new full GRP rear panel
- **New** Dynamic graphics coordinated with white cab
- **New** Exclusive LED rear light clusters
- **New** LED marker lights
- Low energy LED awning light

- High-level brake light
- Full wheel trims
- Main habitation door with 2 point locking system and integrated door retainer
- Single key for all habitation doors
- **New** AL-KO extra-long wheelbase chassis for 674, 684, 685, 694 & 695
- Exterior access locker door - 622, 664, 674 & 694 models
- 'Garage' door - 614, 684 & 695 models only
- Double glazed screen printed opening windows with night-latch ventilation
- Compartment for 1 x 7kg and 1 x 13kg gas bottles
- Gas regulator suitable for butane or propane
- Crash sensing mono regulator for en-route use of heating
- Low level ventilation away from step well to reduce road noise
- Heavy duty chassis extensions ready for optional homologated towbar
- Bike rack fixing rails fitted to the rear
- Bike locking point on rear cross member

- 3 burner gas hob with electronic ignition
- Microwave oven
- Granite effect moulded kitchen sink
- Kitchen work top extension flap (except 614 & 664)
- **New** L-shaped sink unit with work top extension and cutlery drawers on 674, 684, 685, 694 & 695
- Drawer storage under oven (model specific)
- Removable drainer and food grade nylon chopping board nestle together for easy storage in dedicated location
- LED strip lighting in china locker
- Vector chrome effect mixer tap
- Kitchen roof light with flyscreen and blind

Washroom

- **New** Washroom design with vanity unit, sink and improved lighting
- Ecocamel Orbit shower head with on/off button for a powerful shower that uses less water
- 35mm thick entrance door with domestic style mortice lock and handle
- Thetford cassette toilet with electric flush and 18 litre wheeled holding tank
- Overhead towel locker (model specific)
- Vector chrome effect mixer tap
- Rooflight with flyscreen (except 664 which has side window)
- High gloss white washroom wallboard

Heating and Plumbing

- Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- Dual fuel heating with Truma Combi 4 1.8kW electric/4kW gas/3.8kW combined (Combi 6 1.8kW electric/6kW gas/5.8kW combined in 674, 684, 685, 694 & 695)
- Digital programmable controller for heating and hot water
- Truma 'Crash sensing Mono' regulator for en-route use of heating and water heating
- Pressurised fresh water system with self-priming pump and accumulator
- 100 litre internal fresh water tank with level sensor
- 68 litre waste water tank with level sensor
- **New** electronic fresh and waste water dump values

Electrical

- **New** Swift Command control system with Thatcham Category 6 approved pro-active tracker (subject to annual subscription)
- **New** Swift Command Intelligent power supply unit with LCD control panel; Functions include battery selection, battery state meter, lighting and water pump circuit controls, internal & external temperature, internal humidity levels, 230V load limiter (settable between 5 amps & 16 amps), solar panel charging levels, heating controls and Bluetooth connection
- Swift Command App allows certain functions to be controlled/monitored remotely
- Mains consumer unit with mains isolators and 12V fuse board

- Ultra low energy lighting system:
 - LED spotlights
 - **New** over-locker LED ambient lighting
- Three chrome 230V sockets
- 300 Watt charger/transformer for 12V supply
- 80 amp-hour leisure battery housed below drivers seat
- TV station with 230V and 12V sockets, aerial socket
- 25 metre mains hook-up cable

Options

- Comfort-Matic automatic gearbox with **new** Fiat Euro 6 130bhp, 2.3 litre engine with ESP (only available in conjunction with Comfort Pack)
- **Special Value Comfort Pack consisting of:**
 - **New** Cruise control
 - **New** Panoramic opening sunroof
 - Cab air-conditioning
 - Passenger air bag
 - Easy action concertina door flyscreen
 - Pleated windscreen blind
 - Status 570 TV aerial
 - **New** Reversing sensors
- Winter Pack with:
 - Waste water tank heater
 - Under floor waste pipe insulation
 - Fridge vent covers
- Fifth seat belt option with **new** manual drop-down bed on 674, 684 & 694 models
- 'SwiftShield' stain resistant, easy-clean fabric
- 3650kg MTPLM upgrade for 614, 622 & 664 models
- 3700kg MTPLM upgrade for 674, 684, 685, 694 & 695 models
- Detachable tow bar and electrics (conforming to 94/20/EC or 55R ECE)
- Thule Elite G2 two cycle rack (dealer fit)
- Thule awning (factory fit)

† Optional 5th belt and drop down bed spec

An additional belted travelling seat and drop down bed can be added to the 674, 684 & 694:

Berths (sleeping positions)	+ 2
Reduced payload due to addition of seat and manual bed	- 100kg
All other specification as table	

Note: The mass of the additional passenger must be taken into consideration when loading the vehicle

- Notes**
- The Maximum User Payload includes:
 - the conventional load (this is the allowance for passengers)
 - essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
 - optional equipment (items available from the manufacturer over and above the standard specification)
 - personal effects (those items not covered by the above)
 - The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder.
The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
 - Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
 - Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.
- * Estimated
- ** For optional roof ladder add 125mm to length and 40mm to height on low-line.
- # Please note that the additional weight of the tow bar and trailer nose weight increases the rear axle loading of the motor home so care should be taken that the rear axle load is not exceeded when towing. To ensure adequate road holding, the load on the front axle, under all conditions, must not be less than 40% or more than 70% of the total weight. Care must be taken when distributing loads. The loadings and weights above are maximums and must not be exceeded under any circumstances.

STEP INTO THE BESSACARR

The classic Bessacarr brand is a true icon of luxury and high performance.

The latest enhanced SMART Plus construction with balanced panel GRP side walls and a new easy to use, intelligent interface for its onboard technologies called Swift Command, bring a modern twist to this much loved brand.

The Bessacarr range not only looks stunning from the outside with its striking low profile overcab and gloss white sides with British racing green and silver graphics; it also exudes luxury inside to transcend all others in its class.

STEP INTO A MODERN CLASSIC

Classic styling with Smoked Oak inserts to the gloss upper locker doors combine with 'Moonlight' rich dark brown and cream soft furnishings to give a 'boutique hotel' feel, whilst new Alde heating ensures your Bessacarr is a motorhome for all seasons.

A wide panoramic sunroof creates a light-filled, warm interior and luxury full width curtains are perfect for privacy, day or night. For luxury at bedtime all fixed beds, including drop down beds, are fitted with the exclusive Duvalay Duvalite mattress, with memory fibre technology.

Three models have the option of changing the front travelling dinette into a parallel front lounge, ideal for couples.

STEP INTO MORE REFINEMENT

You can control the onboard ambience thanks to energy efficient LEDs and dimmable spotlights.

Further refinements include a well equipped kitchen with Omnivent, bronze dash trim, vanity mirror lighting, wardrobe lighting and map pockets/wall pads. The luxurious standard features are continued outside with a reversing camera for easy manoeuvring, gloss white cab mirror covers and a roll-out awning.

Powered by the new Fiat Euro 6 2.3 litre, 130bhp turbo diesel engine, all models have a 6 speed manual gearbox with an automatic option. Cab air-conditioning, cruise control and a Status 570 TV aerial is available with the keenly priced Lux pack.

BESSACARR FEATURES

Chassis-Cab

- Fiat chassis cab
- LED daytime running lights
- Stylish black bezel to headlight and black front grille
- Stylish black skid plate
- **New** Fiat Euro 6 130bhp, 2.3 litre engine
- Dashboard design with fully integrated factory-fit DAB Radio/ MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and wing mirror antenna for better reception
- Cab battery isolation switch to prevent discharge in storage
- Driver and passenger airbags
- Concertina windscreen blind and side window blinds
- White cab wing mirror covers
- **New** Bronze dashboard trims
- Cab carpet (removable)
- Uprated front suspension with higher ride height and comfortable handling
- Captains chairs with twin armrests and integrated headrest
- Driver and passenger seats with:
 - Swivels (except 462 & 496)
 - Position, height and rake adjustment (no height adjustment on passenger seat in 462 & 496)
 - Two armrests
 - Fully upholstered covers
 - Base surrounds
- ABS brakes
- EBD (electronic brake force distribution)
- Immobiliser with rolling code
- Variable power steering
- Key fob operated remote central locking of cab doors and entrance door
- Electrically operated and tinted cab windows
- Electrically adjusted and heated wing mirrors fitted with direction indicators
- Headlamp height adjustment
- Adjustable steering wheel position
- Central cup holder with slot for full width tablet and wall pocket for smart phone with USB port for charging
- 12V socket and USB sockets
- Tablet holder (dash mounted)

Body and Exterior equipment

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimensions and safety regulations
- **Enhanced** SMART Plus construction
 - Strong, moisture proof 'PURE' Polyurethane timberless framed body shell with HD polystyrene insulation core
 - **New** Balanced panel 31mm sandwich side walls with GRP outer and inner skin
 - 'Sandwich' floor construction with GRP outer skin, ply upper and high rigidity Styrofoam core
 - 31mm 'sandwich' construction half resistant exterior GRP roof, fully bonded for extra strength and flatness (low-line models only)
 - Full height closed mould GRP rear panel

- **New** Curved 32mm 'sandwich' roof with HD polystyrene insulation core, interior polypropylene honeycomb board and GRP exterior (integrated models only)
- Streamlined low profile look
- GRP pod with large panoramic opening skyview window (motorised in integrated models - 424, 462 & 496)
- Front marker lights
- Seitz C8 flush fitting windows
- Five low-line models with a sleek low-line profile housing smart moulded fascia for the sunroof with side pockets
- Three integrated models with curved roof line
- 424 & 496 models have manually operated two position bed
 - High-level for storage in roof line
 - Mid-level to allow sleeping underneath
- Exclusive LED rear light clusters
- External white gloss corner cappings
- **New** Dynamic graphics coordinated with white cab
- White extruded skirts link with GRP rear panel
- Gloss white finished front bumper
- 16" wheels with full wheel trims
- AL-KO low line AMC long wheel base chassis for 494 & 496
- Low energy LED exterior light
- High-level brake light
- Seitz high specification entrance door with secure 2-point locking, window, integral flyscreen, door retainer and bin
- Single key for all habitation doors
- Step well with light for easy access
- Service door for underseat/bed storage van specific (412, 442, 454, 462, 484, 494 & 496)
- Large exterior access door (424 & 484)
- Provision for 2 x 13kg gas bottles (2 x 7kg in 424) with fitted butane/propane regulator and propane hose
- Low level ventilation positioned to reduce road noise
- Heavy duty rear chassis members ready for optional towbar
- Spare wheel on under slung carrier
- Reversing camera*
- Recessed full length roll out awning
- Bike rack fixing rails fitted to the rear
- Bike locking point on rear cross member

Living Area

- **New** 'Moonlight' soft furnishing scheme with two scatter cushions
- Upholstered map/wall pocket
- 'Aralie Sen' woodgrain with contemporary colouring and luxury high gloss upper locker doors with Smoked Oak inlays
- Chrome effect handles throughout
- Push-button locks on overhead locker doors
- Swift Group 'spaceframe' locker construction
- Travel lock for TV brackets where fitted
- Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable
- Wardrobe lighting
- Lounge seat and bed tops with gas spring hinge supports for easy access

- Pleated cassette blinds with flyscreens on all windows
- Concertina action door flyscreen
- Sectioned removable carpets for flexibility
- French Oak effect, high impact, scratch resistant floor lino
- Lap and diagonal seat belts on all designated passenger seats
- Ergonomically shaped rear travelling seats in 424, 454, 464, 484, 494 & 496 with safety frame supports
- Electronically operated lift-up bed above garage in 484 for easy access and creation of extra garage space
- Bed mattresses and lounge bench seat cushions supported by beech slats for extra comfort
- Seat backrest ventilation boards
- Dedicated storage locations for all tables
- Midi-Heki skylight with flynet and adjustable blind (except 412, 424, 442 & 454)
- Mini-Heki clear roof light with pleated flyscreen and blind
- Domestic style mortice locks on washroom doors
- Smoke alarm
- Carbon monoxide alarm

Kitchen

- Dometic 8-Series, 96 or 112 litre automatic energy selection fridge with removable freezer compartment (138 litre Dometic slimline fridge for 424)
- **New** Exclusive Dometic CU600 oven, designed for motorhome use with improved performance and noise reduction, separate grill and dual fuel hob with 800W electric hot plate, electronic ignition and flame failure protection
- Built-in microwave oven with digital controls
- Omnivent, three speed, two way roof fan (except 424)
- Granite-look GRP kitchen sink
- Removable drainer and food grade nylon chopping board nestle together for easy storage in dedicated location
- Vector chrome effect mixer tap
- Acrylic splash back with LED lighting

Washroom

- Vector chrome effect mixer tap
- Separate lined shower cubicle (except 484 & 496 where folding doors create dry area for toilet, towels etc.)
- Ecocamel Orbit shower head with on/off button for a powerful shower that uses less water (trigger shower head in 484 & 496)
- 32mm thick entrance door with domestic style mortice lock and handle
- Lower vanity cupboard with built-in washbasin
- Thetford C260 cassette toilet with electric flush and 18 litre wheeled tank (Thetford C402 bench seat toilet on 484 & 496)
- Mini LED down lights
- Bathroom mirror lighting (except 424, 484 & 496)
- Multi-directional roof light with pleated flyscreen and blind

Heating and Plumbing

- Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- **New** Alde dual fuel radiator central heating and water heating with daily programming, LCD control panel with 1kW, 2kW or 3kW settings

- **New** Alde circulation pump with 5 speed settings
- Truma 'Crash sensing Mono' regulator for en-route use of heating and water heating
- 90 litre under-floor, insulated fresh water tank with level sensor (94 litre in 462)
- Pressurised fresh water system with self-priming pump
- 68 litre waste water tank with level sensor (60 litre in 462)
- Butane/propane regulator and connection hose for propane
- 12V exterior power point for pump filling of water tank (pump not supplied)
- Winter Pack fitted as standard with:
 - Fresh and waste water tank heaters
 - Under floor waste pipe insulation
 - Fridge vent covers

Electrical

- **New** Swift Command control system with Thatcham Category 6 approved pro-active tracker (subject to annual subscription)
 - **New** Swift Command Intelligent power supply unit with LCD control panel; Functions include battery selection, battery state meter, lighting and water pump circuit controls, internal & external temperature, internal humidity levels, 230V load limiter (settable between 5 amps & 16 amps), solar panel charging levels, heating controls and Bluetooth connection
 - Swift Command App allows certain functions to be controlled/monitored remotely
- Mains 230V supply via easy-access consumer unit to sockets, fridge, microwave oven, heater, water heater and battery charger/transformer
- 25 Amp charger/transformer for leisure batteries
- 100 Amp-hour (Dir 2006/66/EC) leisure battery in underfloor compartment. Space for 2nd battery except 424, (sealed 80 Amp-hour battery under front driver's seat on 424) (2nd battery not supplied)
- Minimum of 4 x 230V chrome sockets
- Enhanced ultra low energy lighting system:
 - Dimmable LED spotlights
 - Over-locker LED ambient lighting
 - Low-level night lights (operable when travelling)
 - Adjustable LED cab reading lights
- Power supply for satellite dish installation
- 25 metre mains hook-up cable
- TV station with flatscreen bracket 230V, 12V supply and co-ax link to outside connector
- 100W solar panel (40W on 424)

Options

- Comfort-Matic automatic gearbox with Fiat Euro 6 130bhp, 2.3 litre engine now with ESP (only available in conjunction with Lux Pack)
- **Special value Lux Pack** with:
 - Cab air-conditioning
 - Cruise control
 - Status 570 TV aerial
- 'SwiftShield' stain resistant, easy-clean fabric
- Detachable tow bar and electrics (conforming to 94/20/EC or 55R ECE)
- Lounge layout options available for 454, 484 and 494
- Thule Elite G2 two cycle rack (dealer fit)

- 01.** Fiat chassis cab with new Euro 6 130bhp, 2.3 litre engine
- 02.** Daytime LED running lights
- 03.** Streamlined low profile look with wider, lower body shell, panoramic opening sunroof and full length roll out awning
- 04.** 16" wheels with full trims
- 05.** Exclusive LED rear light clusters
- 06.** Reversing camera*
- 07.** Fixing bars for rear mounted optional dealer fit Thule Elite G2 two cycle rack
- 08.** Dashboard design with fully integrated factory-fit Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and mirror antenna for better reception
- 09.** Captains chairs with integrated headrest, wider backrest, better side support and improved seat comfort
- 10.** Manual drop down bed in 424 and 496 models. Electronic lift-up bed above garage in 484 for easy access and creation of extra garage space
- 11.** Winter Pack fitted as standard with:
 - Fresh and waste water tank heaters
 - Under floor waste pipe insulation
 - Fridge vent covers
- 12.** **New** Alde radiator central heating with daily programming and LCD touch screen control
- 13.** Omnivent, three speed two way roof fan (except 424)
- 14.** Ultra low energy lighting with LED over-locker ambient lighting, LED spot and down lighters, low level night lights and adjustable LED cab reading lights
- 15.** Upholstered map/wall pockets
- 16.** Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable

* Dependent on model, visibility through the rear camera may be reduced when bicycles are carried on optional bike carrier.

					1.82m x 0.64m / 6'0" x 2'1"
					1.82m x 0.64m / 6'0" x 2'1"

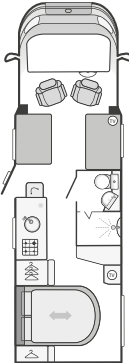

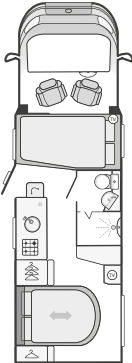

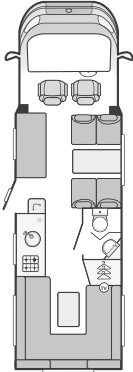

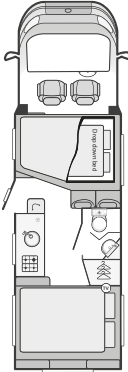

- Notes**
- The Maximum User Payload includes:
 - the conventional load (this is the allowance for passengers)
 - essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
 - optional equipment (items available from the manufacturer over and above the standard specification)
 - personal effects (those items not covered by the above)
 - The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder.
The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
 - Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
 - Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.
- * Estimated
- ** For optional roof ladder add 125mm to length and 40mm to height on low-line.
- # Please note that the additional weight of the tow bar and trailer nose weight increases the rear axle loading of the motor home so care should be taken that the rear axle load is not exceeded when towing. To ensure adequate road holding, the load on the front axle, under all conditions, must not be less than 40% or more than 70% of the total weight. Care must be taken when distributing loads. The loadings and weights above are maximums and must not be exceeded under any circumstances.
- † With this vehicle configuration it will be necessary to reduce the payload carried inside the van when towing to ensure that the MTPLM and maximum axle loads are not exceeded.
- ‡ The maximum trailer weight is limited by the gross train weight which must not be exceeded. For example if the vehicle is at the maximum MTPLM of 3700kg, then the maximum trailer weight possible is 1800kg. Reducing the weight of the vehicle by removing payload, will allow you to increase the trailer weight up to a maximum of 2000kg.

				1.63m x 0.64m / 5'3" x 2'2"		
				1.96m x 1.33m / 6'4" x 4'3"		

- Notes
- The Maximum User Payload includes:
 - the conventional load (this is the allowance for passengers)
 - essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
 - optional equipment (items available from the manufacturer over and above the standard specification)
 - personal effects (those items not covered by the above)
 - The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder.

The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
 - Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
 - Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.
- * Estimated
- ** For optional roof ladder add 125mm to length and 40mm to height on low-line.
- # Please note that the additional weight of the tow bar and trailer nose weight increases the rear axle loading of the motor home so care should be taken that the rear axle load is not exceeded when towing. To ensure adequate road holding, the load on the front axle, under all conditions, must not be less than 40% or more than 70% of the total weight. Care must be taken when distributing loads. The loadings and weights above are maximums and must not be exceeded under any circumstances.
- † With this vehicle configuration it will be necessary to reduce the payload carried inside the van when towing to ensure that the MTPLM and maximum axle loads are not exceeded.
- ‡ The maximum trailer weight is limited by the gross train weight which must not be exceeded. For example if the vehicle is at the maximum MTPLM of 3700kg, then the maximum trailer weight possible is 1800kg. Reducing the weight of the vehicle by removing payload, will allow you to increase the trailer weight up to a maximum of 2000kg.

STEP INTO THE SWIFT RIO

PART OF THE BLACK EDITION RANGE

Swift's exclusive Black Edition Range welcomes a new member in the form of the sporty compact Rio for the new season. Now in black metallic and featuring new Black Edition graphics the cab is home to a new Euro 6 130bhp 2.3 litre engine.

With the agile dimensions of a panel van and the home comforts of coachbuilt

luxury, the Rio is an innovative range that offers four models, two of which feature an ingenious lift-up rear tailgate. Weighing in at 3.5 tonnes they can be driven on a standard car licence.

With a more durable build courtesy of enhanced SMART Plus construction, incorporating new balanced panel GRP side walls, the Rio is set for adventure.

STEP INTO COMPACT LUXURY

With the exciting Rio motorhome range, compact does not mean compromise. New 'Cordone' soft furnishing features an espresso textured fabric to the seat edges with a pebble coloured 'SwiftShield' infill that has been cleverly treated to resist stains.

A Truma Combi 4 boiler provides ample heating and hot water and there is a well equipped kitchen with new Dometic CU600 oven.

The washroom houses everything you need; a basin, toilet and shower, plus mini LED downlights - the 310 even has the luxury of a separate shower cubicle.

STEP INTO HIGH TECH SPACE

Bringing modern technology with an 'App' interface is the new Swift Command system which makes it even easier to monitor and control onboard services.

Lighting throughout is LED with dimmable under locker spotlights and overlocker lights in the rear lounge (model specific) and there is a stepwell light for safer access. There are even low-level night-lights that operate when travelling and an illuminated kitchen splash back.

The ingenious lift-up rear tailgate models give you easy access to the generous inter-seat storage area for housing your leisure and sporting gear.

RIO FEATURES

Chassis-Cab

- Fiat chassis cab
- **New** Black metallic cab and Black Edition graphics
- LED daytime running lights
- **New** Fiat Euro 6 130bhp, 2.3 litre engine
- Dashboard design with fully integrated factory-fit DAB Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and wing mirror antenna for better reception
- Cab battery isolation switch to prevent discharge in storage
- Driver and passenger airbags
- Concertina windscreen blind and side window blinds
- Cab carpet (removable)
- Captains chairs with twin armrests and integrated headrest
- Driver and passenger seats:
 - Swivels
 - Position, height and rake adjustment
 - Two armrests
 - Fully upholstered covers
 - Base surrounds
- ABS brakes
- EBD (electronic brake force distribution)
- Immobiliser with rolling code
- Variable power steering
- Key fob operated remote central locking of cab doors and entrance door
- Electric operated and tinted cab windows
- Electrically adjusted and heated wing mirrors fitted with direction indicators
- Headlamp height adjustment
- Adjustable steering wheel position
- Central cup holder with slot for full width tablet and wall pocket for smart phone with USB port for charging
- 12V socket and USB socket
- Tablet holder (dash mounted)

Body and Exterior Equipment

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimensions and safety regulations
- **Enhanced** SMART Plus construction with full GRP bodyshell:
 - Strong, moisture proof 'PURE' Polyurethane timberless framed body shell with HD polystyrene insulation core
 - **New** Balanced panel 32mm sandwich side walls with GRP outer and inner skin
 - 'Sandwich' floor construction with GRP outer skin, ply upper and high rigidity Styrofoam core
 - 31mm 'sandwich' construction hail resistant exterior GRP roof with HD polystyrene insulation core and moulded front to create streamlined front curvature
 - Full height closed mould GRP rear panel
- Compact narrow bodyshell 2000mm internal width and 1947mm interior height
- GRP front low-line pod with panoramic opening sunroof
- Styled front marker lights
- Seitz C8 flush fitting windows

- Full GRP rear panel incorporating lift-up tailgate with window, central locking and electrically operated step (320 & 340 only)
- Exclusive LED rear light clusters
- **New** Dynamic graphics coordinated with Black cab
- White extruded skirts with end caps
- Front bumper finished in body colour
- 16" wheels with full wheel trims
- Low energy LED exterior awning light
- High-level brake light
- Seitz high specification entrance door with secure 2-point locking, window, integral flyscreen, door retainer and bin
- Single key for all habitation doors
- Step well with light for easy access
- Provision for 2 x 7kg gas bottles with fitted butane/propane regulator and propane hose
- Heavy-duty rear chassis members ready for optional towbar (in lieu of rear step)
- Spare wheel on under slung carrier
- Bike rack fixing rails fitted to the rear (on 310 & 325 only)
- Bike locking point on chassis member

Living Area

- **New** 'Cordone' soft furnishing with two scatter cushions
- 'Aralie Sen' woodgrain with contemporary colouring
- Luxury high gloss upper locker doors with Smoked Oak inlays
- Chrome effect handles throughout
- Push-button locks on overhead locker doors
- Travel lock for TV brackets where fitted
- Lounge seat and bed tops with gas spring hinge supports for easy access
- Manually operated drop down bed on 325 & 340 models (325 to allow increase in garage capacity)
- Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable on manually operated height beds - 325 & 340 models
- Cassette pleated flyscreens and blinds on all windows
- Concertina action door flyscreen
- Sectioned removable carpets for flexibility
- French Oak effect, high impact, scratch resistant floor lino
- Lap and diagonal seat belts on all designated passenger seats (325 & 340)
- Ergonomically shaped rear travelling seats in Cordone fabric with safety frame supports
- Bed mattresses and lounge bench seat cushions supported by beech slats for extra comfort
- Seat backrest ventilation boards
- Dedicated storage locations for tables
- Midi-Heki skylight with flynet and adjustable blind (not 310)
- Mini-Heki clear roof light with pleated flyscreen and blind
- Domestic style mortice locks on washroom doors
- Black branded speakers
- Bed-mounted luggage retaining hoops (320 & 340)
- Smoke alarm
- Carbon monoxide alarm

Kitchen

- Dometic 8-Series, 110 litre automatic energy selection fridge with removable freezer compartment (138 litres Dometic Slimline fridge for 310)
- **New** Exclusive Dometic CU600 oven, designed for motorhome use with improved performance and noise reduction, separate grill and dual fuel hob with 800W electric hot plate, electronic ignition and flame failure protection
- Built-in microwave oven with digital controls
- Granite-look GRP kitchen sink
- Removable drainer and food grade nylon chopping board nestle together for easy storage in dedicated location
- Vector chrome effect mixer tap
- Acrylic splash back with LED lighting

Washroom

- Fixed washbasin with vanity cupboard
- Thetford cassette toilet with electric flush
- Multi-directional roof light with flyscreen
- 32mm thick entrance door with domestic style mortice lock and handle
- Mini LED down lights

Heating and Plumbing

- Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- Dual fuel heating with Truma Combi 4 1.8kW electric/4kW gas/3.8kW combined with digital control
- Digital programmable controller for heating and hot water
- Truma 'Crash sensing Mono' regulator for en-route use of heating and water heating
- Pressurised fresh water system with self-priming pump
- 86 litre insulated fresh water tank with level sensor
- 68 litre waste water tank with level sensor
- Butane/propane regulator and connection hose for propane
- 12V exterior power point for pump filling of water tank (pump not supplied)
- Winter Pack fitted as standard with:
 - Fresh and waste water tank heaters
 - Under floor waste pipe insulation
 - Fridge vent covers

Electrical

- **New** Swift Command control system with Thatcham Category 6 approved pro-active tracker (subject to annual subscription)
- **New** Swift Command Intelligent power supply unit with LCD control panel; Functions include battery selection, battery state meter, lighting and water pump circuit controls, internal & external temperature, internal humidity levels, 230V load limiter (settable between 5 amps & 16 amps), solar panel charging levels, heating controls and Bluetooth connection
- Swift Command App allows certain functions to be controlled/monitored remotely
- Mains 230V supply via easy-access consumer unit to sockets, fridge, microwave oven, heater, water heater and battery charger/transformer

- 25 Amp charger/transformer for leisure batteries
- 80 Amp-hour sealed (Dir 2006/66/EC) leisure battery under driver's cab seat
- Minimum of 3 x 230V chrome sockets
- Enhanced ultra low energy lighting system:
 - Dimmable LED spotlights
 - Dimmable over-locker LED ambient lighting
 - Low-level night lights (operable when travelling)
 - Adjustable LED cab reading lights
- Power supply for satellite dish installation
- 25 metre mains hook-up cable
- TV station with flatscreen bracket 230V, 12V supply and co-ax link to outside connector
- 100W solar panel

Options

- Comfort-Matic automatic gearbox with **new** Fiat Euro 6 130bhp, 2.3 litre engine (only available in conjunction with Lux Pack)
- Special value Lux Pack with:
 - Cab air-conditioning
 - Cruise control
 - Status 570 TV aerial
 - Reversing camera*
 - Full length roll-out awning
- 'SwiftShield' stain resistant, easy-clean fabric
- Tow bar (requires removal of rear step on 320 & 340)
- Thule Elite G2 two cycle rack (except 320 & 340) (dealer fit)

*Dependent on model, visibility through optional rear camera may be reduced when bicycles are carried on the optional bike carrier

- 01. New** Black metallic Fiat cab with Black Edition graphics and LED daytime running lights
- 02. Compact** narrow bodyshell 2000mm internal width and 1947mm interior height
- 03. Aerodynamic** low-line pod with panoramic opening sunroof
- 04. Full GRP** rear panel with structural integrated steel frame to lift up tailgate with window and central locking (320 & 340 only)
- 05. Luggage** retaining hoops (320 & 340 only)
- 06. 16"** wheels with full trims
- 07. Exclusive** LED rear light clusters
- 08. Dashboard** design with fully integrated factory-fit DAB Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and mirror antenna for better reception
- 09. Captains** chairs with integrated headrest, wider backrest, better side support and improved seat comfort
- 10. Manually** operated drop down bed on 325 & 340 models with exclusive 'Duvalay Duvalite' mattress (325 to allow increase in garage capacity)
- 11. Winter** Pack fitted as standard with:
 - Fresh and waste water tank heaters
 - Under floor waste pipe insulation
 - Fridge vent covers
- 12. New** Exclusive Dometic CU600 oven, designed for motorhome use with improved performance and noise reduction
- 13. Dual** fuel heating with Truma Combi 4 1.8kW electric/4kW gas/3.8kW combined with digital controller for heating and hot water
- 14. Ultra** low energy lighting with dimmable LED over-locker ambient lighting, dimmable LED spotlights, low level night lights and adjustable LED cab reading lights. Smoked Oak inlay to 'Aralie Sen' locker doors with positive catches for secure storage on the move
- 15. Seat** bases with space frame construction, providing space for larger items
- 16. Fixing** bars for rear mounted optional Thule Elite G2 two cycle rack on 310 & 325 and bike locking point on chassis member (dealer fit option)

- Notes
- The Maximum User Payload includes:
a) the conventional load (this is the allowance for passengers)
b) essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
c) optional equipment (items available from the manufacturer over and above the standard specification)
d) personal effects (those items not covered by the above)
2. The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder.
The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
3. Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
4. Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.
- # Please note that the additional weight of the tow bar and trailer nose weight increases the rear axle loading of the motor home so care should be taken that the rear axle load is not exceeded when towing. To ensure adequate road holding, the load on the front axle, under all conditions, must not be less than 40% or more than 70% of the total weight. Care must be taken when distributing loads. The loadings and weights above are maximums and must not be exceeded under any circumstances.

STEP INTO THE SWIFT BOLERO

PART OF THE BLACK EDITION RANGE

One look at the 'Black Edition' Bolero and we think you will agree it's simply stunning inside and out.

Tirelessly innovating on their award winning technology, enhanced SMART Plus construction features new balanced panel side walls having both GRP outer and inner skins to create a full GRP bodyshell.

Both 130bhp and 150bhp Euro 6 engines are available with Fiat's Comfort-Matic automatic gearbox for the ultimate in driving comfort and performance.

The specially priced Vogue pack adds upgrades that include cab air-conditioning, cruise control, a twin-view reversing camera and Status 570 TV aerial.

STEP INTO THE DETAIL

Stepping into the Bolero you will appreciate the attention to detail of the stunning interior. Oyster Grey curved upper locker doors with gloss 'Aralie Sen' inlay, updated 'Ritz' part SwiftShield soft furnishings and soft fabric wrapped edged furniture gives a luxurious feel.

The three toning fabrics enhance the sculptured seat cushions which provide improved comfort and durability. In three of the models you can change the travelling dinette for a cosy parallel front lounge. The powerful Alde central heating system will keep you warm and moulded seat backrest ventilation boards improve the heat circulation.

For luxury at bedtime, all fixed beds are fitted with the exclusive Duvalay Duvalite mattress, containing lightweight memory fibre technology.

STEP INTO LEADING EDGE DESIGN

The enhanced Swift Command control system features a new option to subscribe to a Thatcham Category 6 approved pro-active tracker for greater peace of mind.

The leading edge design continues with FENIX NTM® kitchen worktops which are resistant to scratches, hygienic and easy to clean and the exclusive Dometic CU600 oven with improved performance and noise reduction. There is also efficient, dimmable LED lighting, 100W solar panel and 'Ecocamel Orbit' shower head with on/off water conservation button.

BOLERO FEATURES

Chassis-Cab

- Fiat chassis cab
- LED daytime running lights
- Black metallic cab and Black Edition graphics
- **New** Fiat Euro 6 130bhp, 2.3 litre engine (684FB)
- **New** Fiat Euro 6 150bhp, 2.3 litre engine (714SB, 724FB & 744PR)
- Dashboard design with fully integrated factory-fit DAB Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and mirror antenna for better reception
- Techno silver dash trim
- Steering wheel controls
- Cab battery isolation switch to prevent discharge in storage
- Driver and passenger airbags
- Concertina windscreen blind and side window blinds
- Cab carpet (removable)
- Captains chairs with twin armrests and integrated headrest
- Driver and passenger seats both with:
 - Swivels
 - Height and rake adjustment
 - Two armrests
 - Fully upholstered covers
 - Base surrounds
- High-level instrument cluster with chrome trims
- ABS brakes
- EBD (electronic brake force distribution)
- Immobiliser with rolling code
- Variable power steering
- Key fob operated remote central locking of cab doors and entrance door
- Electric operated and tinted cab windows
- Electrically adjusted and heated wing mirrors fitted with direction indicators
- Headlamp height adjustment
- Adjustable steering wheel position
- Central cup holder with slot for full width tablet and wall pocket for smart phone with USB port for charging
- 12V power sockets & USB socket
- Dash mounted tablet holder

Body and Exterior Equipment

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimensions and safety regulations
- Enhanced SMART Plus construction with full GRP bodyshell:
 - Strong, moisture proof 'PURE' Polyurethane timberless framed body shell with HD polystyrene insulation core
 - Balanced panel 31mm sandwich side walls with GRP outer and inner skin
 - 'Sandwich' floor construction with GRP outer skin, ply upper and high rigidity Styrofoam core
 - 31mm 'sandwich' construction hail resistant exterior GRP roof with high density (HD) polystyrene insulation core and GRP inner skin
 - Full height closed mould GRP rear panel
- Fiat/AL-KO low line chassis with wide track

- 16" alloy wheels (2 different styles - one for light chassis 684FB and one for the Maxi chassis 714SB, 724FB & 744PR)
- GRP pod with large panoramic opening sky view window and adjustable pleated blind
- GRP inner and outer skins to side walls finished in white with strong window-line Black Edition graphics
- Rear panel with high-level brake light and camera housing
- Exclusive LED rear light clusters
- Front bumpers finished in body colour
- Full length recessed awning
- Integrated longitudinal roof bars (load carrying cross bars and ladder optional)
- White extruded skirts and link with GRP rear panel
- Gloss white external corner cappings
- LED front and rear marker lights
- Seitz high specification entrance door with secure 2-point locking, window, integral flyscreen, door retainer, bin and step well light for easy access
- Seitz C8 flush fitting windows
- Service door for underseat/bed storage
- Side exterior locker 684FB, 714SB & 724FB
- LED awning light
- Large gas locker for two 13kg gas bottles with fitted butane/propane regulator and propane hose
- BBQ point
- Heavy duty rear chassis members ready for optional towbar
- Spare wheel and tyre
- Bike rack fixing rails fitted to the rear
- Bike locking point on AL-KO extension

Living Area

- **New** 'Ritz' part SwiftShield furnishing scheme with two bolster cushions
- 'Aralie Sen' woodgrain with contemporary colouring
- 'Oyster Grey' curved upper locker doors with gloss 'Aralie Sen' accents
- Soft fabric wrapped edged furniture moulds for seating
- Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable
- Cassette flyscreens and pleated blinds on all windows
- Concertina action door flyscreen
- Chrome entrance doorway grab-handle with LED lights
- Removable carpets in living area
- French Oak effect, high impact, scratch resistant floor lino
- Push-button locks on overhead locker doors
- Swift Group 'spaceframe' locker construction
- Ergonomically shaped rear travelling seats (684FB, 714SB, 724FB & 744PR)
- Sculptured seat cushions for improved comfort and durability
- Lounge bench seat cushions supported by beech slats for extra comfort
- Moulded seat backrest ventilation boards to improve heat convection
- Dining table with dedicated storage location

- Travel lock for TV brackets where fitted
- Midi-Heki skylight with flynet and adjustable blind
- Domestic style mortice locks on washroom
- Removable step well mat
- Black branded speakers
- Smoke alarm
- Carbon monoxide alarm

Kitchen

- Contrasting furniture doors with chrome accents
- Domestic 8-Series 190 litre fridge/freezer with automatic energy selection (110 litres on 744PR)
- Mini-Heki skylight with flynet and adjustable blind
- Built-in microwave oven with digital controls
- Printed back-lit acrylic splash back
- Innovative FENIX NTM® kitchen worktops (resistant to scratches, enhanced antibacterial properties and easy to clean) with fold down flaps and underslung stainless steel sink
- Removable drainer and food grade nylon chopping board nestle together for easy storage in dedicated location
- Vector chrome effect mixer tap
- Exclusive Dometic CU600 oven, designed for motorhome use with improved performance and noise reduction, separate grill and dual fuel hob with 800W electric, electronic ignition and flame failure protection
- Soft close doors & drawers (model specific)

Washroom

- Ecocamel Orbit shower head with on/off button for a powerful shower that uses less water
- Decorative inlay on washroom door
- Shower cubicle or fully lined shower area
- Shower bi-fold door
- Vanity sink unit
- Swivel spout vanity taps
- Overhead storage locker
- Skylight with flyscreen
- Towel radiator in 714SB & 724FB

Heating and Plumbing

- Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- Alde dual fuel radiator central heating and water heating with daily programming, LCD control panel with 1kW, 2kW or 3kW settings
- Alde circulation pump with 5 speed settings
- Heated towel radiator in 714SB & 724FB
- Truma 'Crash Sensor Mono' regulator for en-route operation with connection hose for propane
- 94 litre under-floor, insulated fresh water tank with level sensor
- Pressurised fresh water system with self-priming pump
- 100 litre waste water tank with level sensor
- Waste pipes insulated for winter use
- **New** Electronic drain valves for fresh and waste water tanks
- 12V exterior power point for pump filling of water tank (pump not supplied)

- Winter Pack fitted as standard:
 - Fresh/waste water tank heaters
 - Under floor waste pipe insulation
 - Fridge vent winter covers

Electrical

- **Enhanced** Swift Command control system with Thatcham Category 6 approved pro-active tracker (subject to annual subscription)
 - Swift Command intelligent power supply unit with LCD control panel; functions include vehicle/leisure battery selection, battery state meter, lighting and water pump circuit controls, internal & external temperature, internal humidity levels, 230V load limiter (settable between 5 Amps & 16 Amps), solar panel charging levels, heating controls and Bluetooth connection
 - Swift Command App allows many functions to be controlled/monitored remotely
- Mains 230V supply via easy-access consumer unit to sockets, fridge, microwave oven, combi boiler and battery charger/transformer
- 25 Amp charger/transformer for leisure batteries
- 100 Amp-hour (Dir 2006/66/EC) leisure battery in storage compartment (space for 2nd battery, battery not supplied)
- Minimum of 5 mains chrome 230V sockets
- Ultra low energy lighting system:
 - Dimmable LED spotlights and downlights
 - over-locker LED lighting
 - Adjustable LED cab reading lights
 - Low-level night lights (operable when travelling)
- Power supply for satellite dish installation
- 25 metre mains hook-up cable
- TV station with flatscreen bracket 230V, 12V supply and co-ax link to outside connector
- 100W solar panel

Options

- Comfort-Matic automatic gearbox with 150bhp with ESP, 2.3 litre engine in 714SB, 724FB & 744PR (only available in conjunction with Vogue Pack)
- Comfort-Matic automatic gearbox with 130bhp with ESP, 2.3 litre engine in 684FB (only available in conjunction with Vogue Pack)
- **New** 'Winchester Stone' full leather soft furnishing scheme
- Detachable tow bar and electrics (conforming to 94/20/EC or 55R ECE)
- Roof rack and Ladder
- **Special value Vogue Pack with:**
 - Twin view colour reversing camera allowing use en-route*
 - Cab air-conditioning
 - Cruise control
 - Status 570 TV aerial
- 'Lounge' layout options for 684FB, 714SB & 724FB
- Thule Elite G2 two cycle rack (dealer fit)

01. Black metallic Fiat cab with Black Edition graphics and LED daytime running lights
02. GRP pod with large panoramic opening sky view window
03. Soft fabric wrapped furniture edges to seating
04. Exclusive LED rear light clusters
05. Fixing bars for rear mounted optional dealer fit Thule Elite G2 two cycle rack and bike locking point on AL-KO extension
06. Dashboard design with Techno silver dash trim, fully integrated factory-fit DAB Radio/MP3 player with Bluetooth
07. 16" alloy wheels (two different styles - Maxi chassis style shown)
08. Winter Pack fitted as standard with:
 - Fresh and waste water tank heaters
 - Under floor waste pipe insulation
 - Fridge vent covers
09. 100W solar panel
10. Modern, curved upper locker doors with gloss 'Aralie Sen' accents
11. FENIX NTM® kitchen worktops (resistant to scratches, hygienic and easy to clean)
12. Exclusive Dometic CU600 oven (improved efficiency and noise reduction)
13. Ultra low energy lighting with LED over locker ambient lighting, LED spot lights and adjustable LED cab reading lights
14. Alde radiator central heating with daily programming and LCD touch screen control
15. Dometic 8-Series 190 litre fridge/freezer with automatic energy selection (110 litres on 744PR and 96 litres on 612EK)
16. Exclusive 'Duvalay Duvalite' fixed bed mattress

* Dependent on model, visibility through the rear camera may be reduced when bicycles are carried on optional bike carrier.

				1.85m x 0.68m / 6'1" x 2'3"	
				1.85m x 0.68m / 6'1" x 2'3"	

- Notes
- The Maximum User Payload includes:
 - the conventional load (this is the allowance for passengers)
 - essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
 - optional equipment (items available from the manufacturer over and above the standard specification)
 - personal effects (those items not covered by the above)
 - The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder.

The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
 - Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
 - Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.
- ** For optional roof ladder add 100mm.
- # Please note that the additional weight of the tow bar and trailer nose weight increases the rear axle loading of the motor home so care should be taken that the rear axle load is not exceeded when towing. To ensure adequate road holding, the load on the front axle, under all conditions, must not be less than 40% or more than 70% of the total weight. Care must be taken when distributing loads. The loadings and weights above are maximums and must not be exceeded under any circumstances.
- ‡ The maximum trailer weight is limited by the Gross Train Weight which must not be exceeded. For example, if the vehicle is at the maximum MTPLM of 4250kg, then the maximum trailer weight possible is 1750kg. Reducing the weight of the vehicle by removing payload, will allow you to increase the trailer weight up to a maximum of 2000kg.

STEP INTO THE SWIFT KON-TIKI

**PART OF THE
BLACK EDITION
RANGE**

Synonymous with impressive style and high standards, this top range enjoys an enviable combination of comfort, practicality and design innovation.

Soft furnishings and interior finishes are more opulent for the new season and its 'Black Edition' status gives the ultimate in specification as standard.

And now with enhanced SMART Plus construction, your investment is even better protected. The tough wearing GRP skin boasts better dent resistance and is more easily repaired and restored to a high-quality finish.

STEP INTO MAXIMUM COMFORT

Carefully designed and cleverly detailed the spacious interiors provide the maximum in comfort and practicality.

Whether you're relaxing or entertaining the carefully chosen 'Carabu' soft furnishing scheme features SwiftShield, a stain resistant fabric that keeps its good looks. For added luxury, there is also a full leather option.

To create the perfect ambience at night, the interior can be lit with overlocker lighting, dimmable spots and the feature lit kitchen splashback which all use energy efficient LEDs. New zonal control of the Alde heating lets you get the temperature just right.

For luxury at bedtime, all fixed beds are fitted with the exclusive Duvalay Duvalite mattress, containing lightweight yet sumptuously comfortable memory fibre technology.

'Winchester' leather scheme

STEP INTO FIVE STAR TRAVEL

Fully equipped, the Kon-tiki comes with a five star specification.

The kitchen work surface is crowned with HI-MACS® natural acrylic stone, a non-porous, dirt-repellent surface and an exclusive Dometic CU600 oven has improved performance and noise reduction.

The enhanced Swift Command control system features a new Thatcham Category 6 approved proactive tracker option to keep your investment safe.

Kon-tiki models come with almost everything as standard, leaving only engine, new air suspension, fabric, tow bar and roof rack options.

KON-TIKI FEATURES

Chassis-Cab

- Fiat chassis cab
- Black metallic cab and Black Edition graphics
- Front bumper finished in body colour
- LED daytime running lights
- **New** Fiat Euro 6 150bhp, 2.3 litre engine
- Dashboard design with fully integrated factory-fit DAB Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and mirror antenna for better reception
- High-level instrument cluster with chrome trims
- Bronze dashboard trim
- Cab battery isolation switch to prevent discharge in storage
- Cab air-conditioning
- Cruise control
- Leather steering wheel and gear knob
- Steering wheel controls
- Driver and passenger airbags
- Concertina windscreen blind and side window blinds
- Captains chairs with twin armrests and integrated headrest
- Driver and passenger seats both with:
 - Swivels
 - Height and rake adjustment
 - Two armrests
- Fully upholstered covers
- Base surrounds
- ABS brakes
- EBD (electronic brake force distribution)
- Immobiliser with rolling code
- Variable power steering
- Electric operated and tinted cab windows
- Electrically adjusted and heated wing mirrors fitted with direction indicators

- High-line models with large A-Class style aluminium framed, gas strut assisted over-cab bed
- Exterior access doors supported with gas struts for ease of operation
- Pull-out underfloor pannier locker for water hose and electric cable reels
- Stylish 16" alloy wheels
- Seitz high specification entrance door with secure 2-point locking, window, integral flyscreen, door retainer, bin and step well light
- Flush fitting aluminium-framed double glazed opening windows
- Two opening windows in high-line overcab area
- Two Midi-Heki skylights with flynet and adjustable blinds (one on single axle models)
- LED exterior awning light (two on the twin axle models)
- Compartment for two 13kg gas bottles with fitted Truma 'Crash Sensor Mono' butane/propane regulator and propane hose
- Twin view colour reversing camera allowing use en-route*
- Rear panel with high-level brake light
- Full length recessed awning
- Integrated longitudinal roof bars (load carrying cross bars and ladder optional)
- Strong extruded aluminium skirts
- Key fob operated remote central locking of cab doors and entrance door
- BBQ point
- External shower point
- Spare wheel on under slung carrier (stored in garage in 635 & 679)
- Heavy duty rear chassis members ready for optional towbar
- Bike rack fixing rails fitted to the rear
- Bike locking point fixed to rear cross member

Living Area

- 'Carabu' part SwiftShield soft furnishing scheme with scatter cushions and bolsters
- 'Aralie Sen' woodgrain with contemporary colouring
- Gloss finish locker doors with Hessian colour inlay and chrome handles
- Chrome push-button locks on overhead locker doors
- Ergonomically shaped rear travelling seats
- Two-position front seating arrangement providing L-shape lounge or two forward facing travelling seats (635, 669 & 679)
- Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable
- Adjustable swivel-arm coffee table (except 649)
- Black branded speakers
- Moulded over-cab base with storage recesses in high-line models
- Moulded over-cab storage lockers in low-line models
- Swift Group 'spaceframe' locker construction
- Removable aluminium ladder to the over-cab bed in high-line models
- Lounge seat and bed tops with sprung support for easy access
- Bed mattresses and lounge bench seat cushions supported by beech slats for extra comfort
- Seat backrest ventilation boards

- Free-standing table with dedicated storage location
- Travel lock for TV brackets where fitted
- Domestic style mortice locks on washroom and wardrobe doors
- Cassette flyscreens and pleated blinds on all windows
- Luxury curtain tabards
- Concertina action door flyscreen
- Sectioned removable carpets for flexibility
- French Oak effect, high impact, scratch resistant floor lino
- Removable step well mat
- Chrome entrance doorway grab-handle with LED lights
- Smoke alarm
- Carbon monoxide alarm

Kitchen

- Beige 'Hessian' effect kitchen cabinets
- 190 litre Dometic 8-Series automatic energy selection fridge/freezer (110 litre in 649)
- Built-in microwave oven with digital controls in stainless steel surround
- Exclusive Dometic CU600 oven, designed for motorhome use with improved performance and noise reduction, separate grill and dual kitchen extractor fan
- Hi-MACS® natural acrylic stone solid kitchen work surface and stainless steel underslung sink
- Removable drainer and food grade nylon chopping board nestle together for easy storage in dedicated location
- Vector chrome kitchen mixer tap
- Printed back-lit acrylic splash back
- Pull-out storage baskets
- Crockery storage tray with moulded pockets and retaining straps
- Soft-close drawers for smooth operation

Washroom

- Fully lined separate shower cubicle
- Ecomamel Orbit shower head with on/off button for a powerful shower that uses less water
- Shower mat
- Shower bi-fold door retained on track for improved access
- Lower cupboard with built-in washbasin
- Vector chrome finish brass vanity mixer tap
- Etched mirror with lights
- Overhead storage locker
- Thetford C260 swivel cassette toilet with electric flush
- Shower room radiator
- Skylight with flyscreen

Heating and Plumbing

- Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- Winter Pack fitted as standard with fresh and waste water tank heater, waste pipe insulation and fridge vent covers
- Alde dual fuel radiator central heating and water heating with daily programming, LCD control panel with 1kW, 2kW or 3kW settings
- **New** Zonal control of Alde heating
- En-route heating system utilising engine output to run radiators, providing cost free on road heating

- 125 litre underfloor, insulated heated fresh water tank with level sensor
- 100 litre heated waste water tank with level sensor
- Large bore rigid waste pipes insulated for winter use
- Pressurised fresh water system with self-priming pump
- 12V exterior power point for pump filling of water tank (pump not supplied)

Electrical

- **Enhanced** Swift Command control system with Thatcham Category 6 approved pro-active tracker (subject to annual subscription)
 - Swift Command intelligent power supply unit with LCD control panel; functions include vehicle/leisure battery selection, battery state meter, lighting and water pump circuit controls, internal & external temperature, internal humidity levels, 230V load limiter (settable between 5 Amps & 16 Amps), solar panel charging levels, heating controls and Bluetooth connection
 - Swift Command App allows many functions to be controlled/monitored remotely
- Two 100 Amp-hour (Dir 2006/66/EC) leisure batteries in underfloor compartment
- Minimum of 9 mains 230V chrome sockets (including two in cab area and one in the garage where applicable)
- Dedicated cupboard space for satellite de-coder with mains 230V and 12V sockets
- Two TV stations, at least one suitable for 19" TV
- Mains 230V supply via easy-access eye-level consumer unit to sockets, fridge, microwave oven, combi boiler and battery charger/transformer
- 25 Amp charger/transformer for leisure batteries
- Ultra low energy lighting system:
 - LED spotlights with downlighters
 - LED strip lighting over lockers
 - Adjustable LED cab reading lights
 - Lighting in underfloor storage trays
 - Low-level night lights
 - Dimmable interior lights
- 120W solar panels
- Status 570 TV aerial
- Roof and cable preparation for satellite dish installation
- 25 metre mains hook-up cable

Options

- Upgrade from new Fiat Euro 6 150MJ to new Fiat Euro 6 150MJ engine with Comfort-Matic auto gearbox with ESP (625 & 635 only)
- Upgrade to new Fiat Euro 6 180bhp, manual 2.3 litre engine (649, 669 & 679 only)
- Comfort-Matic automatic gearbox and upgrade to new Fiat Euro 6 180bhp, 2.3 litre engine with ESP (649, 669 & 679 only)
- **New** Premium air suspension from AL-KO - increase in ride comfort with automatic self-levelling
- **New** Winchester full leather soft furnishing scheme
- Detachable tow bar and electrics (conforming to 94/20/EC or 55R ECE)
- Roof rack and ladder
- 'Lounge' option on 625 and 635
- Thule Elite G2 two cycle rack (dealer fit)

01. Super low-line AL-KO chassis with double floor housing services
02. One-piece balanced panel GRP side walls finished in white with strong window-line Black Edition graphics
03. Fiat chassis cab in black metallic finish with Black Edition graphics and LED daytime running lights
04. Fixing bars for rear mounted optional dealer fit Thule Elite G2 two cycle rack and bike locking point on rear cross member
05. Dashboard design with fully integrated factory-fit DAB Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and wing mirror antenna for better reception
06. 16" alloy wheels
07. Pull out under floor pannier locker for water hose and electric cable reels
08. 120W solar panel for greater independence
09. Exterior BBQ and shower point
10. Twin view colour reversing camera allowing en-route use*
11. High gloss 'Aralie Sen' woodgrain finish locker doors with Hessian colour inlay and chrome handles plus ultra low energy lighting system with dimmable interior lights
12. Hi-MACS® natural acrylic stone solid kitchen work surface and stainless steel underslung sink
13. Exclusive Dometic CU600 oven (improved efficiency and noise reduction)
14. Alde radiator central heating with daily programming, LCD touch screen control, **new** zonal control, towel radiator and Alde heat exchange unit for en-route heating without use of gas
15. Dometic 8-Series 190 litre fridge/freezer with automatic energy selection (110 Litre on 649)
16. Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable

* Dependent on model, visibility through the rear camera may be reduced when bicycles are carried on optional bike carrier.

1.91m x 1.37m / 6'3" x 4'6"																	

↑ Optional High Line Spec

For High-line overcab option the following specifications changes apply:

Berths (sleeping positions)	+ 2
Mass in Running Order	+ 60kg
Maximum User Payload	- 60kg
Overcab Bed	1.91m x 1.37m / 6'3" x 4'6"
Overall Height	3.08m/10'1"

All other specification as table

Notes

1. The Maximum User Payload includes:

a) the conventional load (this is the allowance for passengers)

b) essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)

c) optional equipment (items available from the manufacturer over and above the standard specification)

d) personal effects (those items not covered by the above)

2. The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder. The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.

3. Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.

4. Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.

** For optional roof ladder add 120mm to length and 100mm to height on low-line.

Please note that the additional weight of the tow bar and trailer nose weight increases the rear axle loading of the motor home so care should be taken that the rear axle load is not exceeded when towing. To ensure adequate road holding, the load on the front axle, under all conditions, must not be less than 40% or more than 70% of the total weight. Care must be taken when distributing loads. The loadings and weights above are maximums and must not be exceeded under any circumstances. The maximum trailer weight is limited by the Gross Train Weight which must not be exceeded. For example, if the vehicle is at the maximum MTPLM of 5000kg, then the maximum trailer weight possible is 1000kg. Reducing the weight of the vehicle by removing payload, will allow you to increase the trailer weight up to a maximum of 1600kg.

‡ Maximum trailer nose weight limited to 40kg

STEP INTO THE AUTOCRUISE SELECT

The Autocruise van conversion range has been transformed for 2017 with a greater level of customisation available.

Renamed Autocruise Select, you now have the power to choose from a variety of expertly designed, tailor-made packs and a selection of individual options.

This allows you to upgrade the base model to create the specification that's right for you, be it related to the driving of the motorhome or the living luxury.

Whether you need a vehicle for everyday use, sport, relaxing holidays or business, the Autocruise Select van conversion range is incredibly versatile.

STEP INTO MORE FLEXIBILITY

The new flexible Autocruise Select range starts with a well equipped base vehicle with new 2.0 litre Euro 6 115bhp engine and 6 speed gearbox to which a range of options can be added.

All the essentials are included with electric windows, driver and passenger seats which swivel, factory fit integrated radio/MP3 player and key fob central locking. In the living area there is practical floor vinyl, comfortable seating and table, 2 burner hob, 50L Waeco electric fridge, sink, fully fitted washroom, and blown air heating with a 4kW gas only Truma combi boiler.

An exciting addition is the new Swift Command system with the option to subscribe to a Thatcham Category 6 approved pro-active tracker.

STEP INTO CUSTOM MADE

Whether you want superior levels of luxury or an enhanced driving experience you have a choice of four new upgrade packs. Full of stylish and practical enhancements these great options allow you to create a truly custom experience.

In addition you can select individual options to upgrade the engine to the Fiat Euro 6 130bhp, 2.3 litre engine with or without the Comfort-Matic automatic gearbox, add an awning and upgrade the soft furnishings. You can also add a forward facing travelling seat option in the Select 144, 164 and 184 models.

AUTOCRUISE SELECT FEATURES

Base Specification:

- Panel Van**
- Fiat Ducato panel van
 - European Whole Vehicle Type Approval ensures compliance with strict weight, dimension and safety regulations
 - Body insulated with high performance 3M's 'Thinsulate'
 - Fiat Ducato 2.0 litre **new** Euro 6 115bhp engine with 6-speed gearbox as standard
 - Long wheel base 3.3 tonnes - 122 & 144
 - Extra long wheel base 3.5 tonnes - 164 & 184
 - White cab with standard matt black bumper
 - Steel wheels
 - Dashboard design with fully integrated factory-fit Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and roof mounted aerial
 - LED side entrance light
 - Driver airbags
 - Driver and passenger chairs with headrest, wider backrest, better side support, improved seat comfort and cab seat swivel
 - Height adjustable drivers seat
 - Electrically operated and tinted cab windows
 - Key fob operated remote central locking
 - Rain diverter over side entrance door
 - ABS brakes
 - EBD (electronic brake force distribution)
 - Immobiliser with rolling code
 - Variable power steering
 - Headlamp height adjustment
 - Adjustable steering wheel position
 - Central cup holder with slot for full width tablet
 - Two 12V sockets in cab
 - Fix 'n' Go puncture repair kit
 - Tablet holder

- Living Area**
- 'Aralie Sen' woodgrain with contemporary colouring, matt white upper locker doors and chrome push button handles
 - 'Graceland' fabric scheme
 - 'Savoy' fabric wall covering with stain resistant finish
 - French Oak effect, high impact, scratch resistant floor lino
 - Thermally insulated quilted fabric covers for windscreen and cab side windows
 - Double glazed windows with cassette blinds and flyscreens
 - Mini Heki clear rooflights to front and rear with flyscreen and blind
 - Main table with dedicated storage location
 - One nearside rear window
 - Gas strut lounge seat lid support in 122 & 184 for easy access
 - Smoke alarm
 - Carbon monoxide alarm

- Kitchen**
- Combination 2 burner hob with stainless steel sink and split glass lid
 - 50 litre Waeco compressor fridge
 - Chrome effect mixer tap
- Washroom**
- Mirrored vanity cupboard and fold-away washbasin (122)
 - Mirrored vanity cupboard and fixed washbasin (144, 164 & 184)
 - Vector chrome effect mixer tap
 - Shower mixer with retainer
 - Thetford cassette toilet with electric flush
 - Large bore underslung rigid waste pipes
 - Multi-directional rooflight with flyscreen

- Heating and Plumbing**
- Blown air heating with 4 kW gas only Truma combi boiler
 - Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
 - High capacity internal water pump
 - Gas bottle capacity 2 x 7kg; butane/propane regulator (except 184 - 1 x 4.5kg plus 1 x 7kg)
 - Standard Truma regulator

- Electrical**
- **New** Swift Command control system with Thatcham Category 6 approved pro-active tracker (subject to annual subscription)
 - **New** Swift Command Intelligent power supply unit with LCD control panel; functions include battery selection, battery state meter, lighting and water pump circuit controls, internal & external temperature, internal humidity levels, 230V load limiter (settable between 5 amps & 16 amps), solar panel charging levels, heating controls and Bluetooth connection
 - Swift Command App allows certain functions to be controlled/monitored remotely
 - Fully protected mains electric system
 - 230V sockets in kitchen
 - 25 Amp charger/transformer
 - Ultra low energy lighting system:
 - Dimmable LED spotlights
 - 100 Ah sealed (Dir 2006/66/EC) accommodation battery
 - 25 metre mains hook-up cable

Pack Upgrade Options:

- Drivers Pack**
- Cab air-conditioning
 - Cruise control
 - Driver and passenger airbags
 - Captains chairs with integrated headrest and two armrests
 - Cab seat covers
 - Height adjustable passenger seat
 - Body coloured bumper
 - Black cab trims (light bezels, grill & skid plate)
 - Battery shut-off switch
 - Graphics upgrade

- Vogue Pack (in addition to Driver's Pack)***
- Metallic silver paint and body coloured bumper
 - Electric & heated wing mirrors
 - 16" alloy wheels (15" on 115bhp)
 - LED daytime running lights
 - DAB radio and bluetooth
 - Steering wheel controls
 - Silver (Techno) dash Kit
 - Reversing sensors
 - Vogue graphics upgrade (on top of Driver's Pack)
 - Soft furnishing and cab seat cover upgrade (Edison scheme)
 - * Separate 3.5 tonne chassis upgrade is required on 122 & 144 models when the Vogue pack is selected

- Living Pack**
- Additional rear window
 - 'Aralie Sen' woodgrain locker doors with Smoked Oak woodgrain accents
 - Additional furniture trim details to window sills & control panel fascia
 - Interior formed decor panels to sliding & rear doors
 - Fresh & waste water tanks with tank fill socket
 - New Winter Pack (tank heaters, pipe insulation)
 - Dual fuel heating with Truma Combi 4 1.8kW electric/4kW gas/3.8kW combined
 - Truma 'Crash Sensor Mono' regulator for en-route use of heating and water heating

- Luxury Pack (in addition to Living Pack)**
- TV aerial and dedicated TV bracket
 - 40W solar panel and regulator
 - Electric side-entrance step
 - Midi-Heki skylight at the rear replaces Mini-Heki
 - Loose fit carpets
 - Pleated cab blinds (front and side blinds)
 - LED swan neck cab reading lights
 - Flyscreen to sliding entrance door
 - Additional free-standing table (except 164)
 - Table extension and sink flap with hinge (model specific)
 - Waste bin, magazine nets & coat hooks (model specific)
 - Mini-grill in sink unit
 - Branded rear speakers in roof

Pack Configurations Possible:

	CAB		
HABITATION	Standard Cab	Drivers pack	Drivers and Vogue Pack
Standard	✓		
Living Pack	✓	✓	✓
Living and Luxury Pack		✓	✓

Additional Options:

- Engine/Chassis Options**
- **New** Fiat Euro 6 130bhp, 2.3 litre engine
 - Comfort-Matic automatic gearbox with **new** Fiat Euro 6 130bhp, 2.3 litre engine now with ESP
 - 3500kg Gross Vehicle Weight Upgrade (GVW) for 122 & 144)

- Travelling Seat (Select 144, 164 & 184)**
- Forward facing travelling seat frame and under chassis brackets (3500kg GVW upgrade required on the Select 144 when Living and Luxury Pack are selected)

- Pull-Out Awning**
- Thule Omnistor awning and brackets

- Bedding Upgrade**
- Leather and 'Swiftshield' soft furnishing scheme
 - Edison soft furnishing scheme (only in conjunction with Drivers Pack, standard in Vogue Pack)

- 01. Fiat panel van in white with daytime running lights
- 02. Metallic silver paint with body coloured bumpers and LED daytime running lights (Vogue Pack)
- 03. 16" alloy wheels (15" on 115bhp) (Vogue Pack)
- 04. Dashboard design with fully integrated factory-fit Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and roof mounted aerial (DAB and Bluetooth part of Vogue Pack)
- 05. Captains chairs with integrated headrest, wider backrest, better side support and improved seat comfort (Drivers pack)
- 06. Key fob operated remote central locking
- 07. Double glazed opening windows with cassette blinds & flyscreens
- 08. Graceland fabric scheme
- 08. Edison fabric scheme (only in conjunction with Drivers Pack, standard in Vogue Pack)
- 10. Dimmable LED spotlights
- 11. Matt white locker doors and overlocker lighting
- 12. 'Aralie Sen' high gloss locker doors with Smoked Oak inlay (Living Pack)
- 13. Blown air heating with 4kW gas only Truma combi boiler (upgrade to dual fuel heating with Truma Combi 4 1.8kW electric/4kW gas/3.8kW combined as part of Living Pack)
- 14. 2 burner hob with stainless steel sink with split glass lid
- 15. 50 litre Waeco compressor fridge
- 16. Mini grill in sink unit (Luxury Pack)

- General Notes**
- The Maximum User Payload includes:
 - the conventional load (this is the allowance for passengers)
 - essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
 - optional equipment (items available from the manufacturer over and above the standard specification)
 - personal effects (those items not covered by the above)
 - The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Lite LPG cylinder.

The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
 - Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
 - Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.
- * Estimated
- Upgrade Pack Option Weights and Notes**
- Drivers Pack 10kg
- Drivers and Vogue Pack 45kg
- Living Pack 43kg
- Living and Luxury Pack 110kg
- ** 3500kg chassis upgrade required on 122, 144 & 144 Travel when Vogue Pack selected.
- 3500kg chassis upgrade required on 144 Travel when Living and Luxury Pack are selected.
- The payload that can be carried will reduce by the mass of the options selected.
 - The option of an increase in the MTPLM on the Select 122, 144 & 144 Travel will increase the payload by 200kg (3300kg to 3500kg). The MRO will remain the same. For any further additional specification see the option weights to calculate the final MRO.

eg. On the Select 122, 144 & 144 Travel the payload will increase by 155kg when selecting the Drivers and Vogue pack as the MTPLM increases by 200kg. (200kg less 45kg = 155kg)
 - Please note that the mass of the passengers is included in the payload and therefore this must be taken into consideration when loading a vehicle with the 'Travel' option.

FABRIC OPTIONS

It is possible to select alternative fabric options within certain ranges.

SwiftShield upholstery scheme

SwiftShield fabric has a soft suede type feel and has been treated during manufacturing to resist stains. It is very easy to clean and just requires a soft cloth dampened with water to remove most stains. SwiftShield is exclusive to Swift Group, you can find out more on Swift TV. www.swifttv.co.uk

Pebble (976) and Cocoa (936) SwiftShield
Optional in Escape and Rio

Latte (908) and Cocoa (936) SwiftShield
Optional in Bessacarr

'Winchester Leather' upholstery scheme
Optional in Bolero and Kon-tiki

'Edison' upholstery scheme
Optional in Autocruise

Leather and Stone (960) SwiftShield upholstery scheme
Optional in Autocruise

VALUE ADDED PARTNERS

Duvalay Duvalite is an innovative mattress made with lightweight memory fibre technology. This hypoallergenic fibre remains as comfortable as memory foam but has many other benefits. Helping eliminate heat retention it gives superior temperature harmony, excellent pressure relief and is durable and resilient. It is resistant to dust mites and is 100% recyclable. Being ultra lightweight it also contributes to significant weight savings.

Swift Group work in partnership with Truma and Alde, the manufacturers of the heating systems installed in our motorhomes. This partnership sees both teams challenging each other to deliver the best kit/equipment at the best price for the motorhome ranges. Truma and Alde also carry out cold chamber testing of the products to prove they meet the Grade 3 standard for heating and insulation.

Swift recommend Oyster satellite TV and broadband. Your favourite TV channels at home and on the continent at the touch of a button. Permanently mounted dishes fold away neatly when travelling then raise and locate the satellite signal automatically seconds after activation. Made in Germany. 3 year warranty and UK service centre.

Fitted exclusively for Swift Group in all 2017 coachbuilt models is the new Dometic CU600 oven. This has improved oven performance including: reduced cooking time, improved cooking uniformity, improved grill performance and a sleeker design.

All Swift Group coachbuilt motorhomes are now fitted as standard with fixing bars on the rear panel designed to take an optional Thule rear mounted two cycle rack.

CHOSEN CHARITY

Swift Group are proud to support a charity local to them called the Daisy Appeal. The Daisy appeal is giving loved ones faster, more accurate, diagnosis of three of the region's biggest killers – cancer, heart disease, and dementia.

The Charity's aim is to provide a world-class PET-CT scanning facility which will provide a comprehensive clinical service alongside an ambitious clinical research programme exploring new applications of imaging techniques.

Currently in the UK, most PET-CT scanning is carried out on cancer patients. However, it has great potential in various heart, neurological and other diseases. Many of these will necessitate the use of short half-life radioactive 'markers' which will need to be manufactured on site. Hence the requirement of a purpose built cyclotron, radiochemistry and radiopharmacy facility.

For every caravan, motorhome and holiday home sold, Swift Group make a donation to the Daisy Appeal, helping them to reach their goal of becoming the UK's number one PET-CT service.

To find out more visit www.daisyappeal.org
