SWIFT CONQUEROR

Renowned for its impressive styling, the Conqueror has been innovatively redesigned using the SMART construction platform and is now wider for a more spacious interior. Amazingly, it is also lighter, and takes this high end tourer's reputation for comfort, practicality and style to a new level.

Its aerodynamic exterior design combines a sweeping front aspect with new stylish graphics, chrome effect grab handles, sleek sunroof, and full height GRP rear panel that together creates a strikingly sleek silhouette.

There are seven different models available, across both single and twin axle layouts, making the Conqueror one of the best all season tourers money can buy.

The attention to detail of the stunning interior is impressive with the panoramic sunroof bathing the lounge area with light. Soft furnishings have been selected in the 'Graceland' scheme: soft, suede-like seat and backrest cushions in a muted mink tone are lifted with aubergine geometric design curtains and scatter cushions, along with metallic silver accent cushions.

New curved gloss upper locker doors in ashen brown 'Aralie Sen' have 'Smoked Oak' inlays, and luxury full width curtains are perfect for privacy, day or night, whilst Alde heating ensures your Conqueror is a caravan for all seasons.

For luxury at bedtime, all fixed beds are fitted with the exclusive and more durable, Duvalay Duvalite mattress, with memory fibre technology.

The Conqueror houses everything you need for five star touring with an expanded list of luxury, safety and practical features designed to delight. Twin axle models even come with an internal 30 litre fresh water tank.

Included within the standard features are 'Edge' alloy wheels, Swift's exclusive rear light clusters, cast foam bedding, innovative self-repairing Fenix NTM® worktops, illuminated kitchen splashback, Dometic oven, spacious tall slimline Dometic fridge in most models, and much more.

Bringing modern technology with an 'app' interface, is the enhanced Swift Command system, which allows you to remotely monitor and control onboard functions like heating and lighting. The system incorporates the option to subscribe to a pre-installed Thatcham Category 6 approved pro-active tracker, to better protect your precious possessions.

MASSSES: The masses are calculated in accordance to EU regulation 1230/2012 and NCC code of practice 304.

The Mass in Running Order (MRO) comprises:

1. The mass of the empty caravan as supplied by Swift including loose items such as the hook-up cable, kit bag, entrance step, manuals etc.
2. 10kg allowance for LPG

The MRO is calculated with the fresh water tank, toilet flush tank and water heater empty. If you travel with water in the fresh water tank, toilet flush tank and the water heater the payload will reduce accordingly.

The personal effects is based on the number of berths and the length of the caravan and includes an allowance of 20kg for a leisure battery.

The Maximum Technical Laden Mass (MTPLM) is the maximum mass allowed when the caravan is fully laden.

WARNING: Under no circumstances should the MTPLM be exceeded.

BED SIZES: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.4m(1'4") from that stated.

AWNING SIZES: Due to the varying awning designs and sizes, the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or the awning manufacturer prior to purchase.

* The dimensions given are approximate due to slight variations in suspension ride heights, loading conditions and tyre pressures

* Estimated weight or bed size

Customers should verify the actual dimensions of their touring caravan before committing to anything that could be impacted by these dimensions.

Please note: Any dealer fit options will reduce the overall payload available to the user of the caravan. If you require additional payload it is possible to upgrade the MTPLM to the upper limit. Please contact your caravan dealer for more information.

LED ROAD LIGHTS: Certain vehicles may require a secondary fuse box when towing models fitted with LED road lighting.

CONQUEROR FEATURES

Base Specification:

Exterior

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimension and safety regulations
- EN1645 Grade 3 classification for heating and thermal insulation
- Overall body width increased to 2.28m/7'6", with internal width increased to 2.146m/7'0"
- AL-KO galvanised steel chassis with Euro-axle SMART construction with GRP body panels
 - Strong, moisture proof 'PURE' Polyurethane timberless framed body shell with polystyrene insulation core (25mm in sidewalls, 32mm in roof)
- Robust GRP inner and outer balanced side walls
- 44mm 'sandwich' floor construction with GRP outer skin, ply upper and high rigidity Styrofoam core
- Hail resistant exterior GRP roof, fully bonded for extra strength and fitness
- Sweeping front panel in GRP with wide gas locker door, triple flush fitting windows, panoramic sunroof and LED front marker lights
 - Full height GRP rear panel
- Fuel saving aerodynamic
- Panoramic sunroof
- New stylish graphics scheme
- Exclusive LED rear light clusters, LED high level marker and brake light which provide better visibility in poor weather
- LED side marker running lights
- New rear view camera for improved all round vision
- New design chrome effect two part grab handles to front and rear
- Carbon effect wide access gas locker door with single lever three point locking
- Flusher fitting fully double-glazed opening windows (no single-glazed cold areas)
- Surface mounted impact resistant skirt system
- Semi-recessed body colour awning rail both sides
- External service doors (access under nearside front bed and fixed beds)
- Heavy duty corner steadies
- New 'Edge' alloy wheels
- Higher tyre rating - a load margin is included in the tyre specifications
- Steel spare wheel
- 13-pin 'Jaeger' 12V car connector
- AL-KO Euro overrun device with two-way assisted handbrake
- AL-KO carabiner breakaway cable
- Shock absorbers for a smoother towing experience
- Step-on hitch cover for easy cleaning of front windows
- Bulkhead mounted regulator suitable for use with either propane or butane bottles
- LED awning light
- Key fob control to LED awning light
- Flush fitting one-piece exterior door with magnetic stay, interior moulded liner, chrome handle, window with blind, and bin
- Aerial point in battery box for portable satellite dish connection
- Exterior access battery box with mains electric inlet (battery not included)
- External BBQ point and 230V socket
- Entrance step
- Fixing bars for optional Thule Elite G2 rear mounted two cycle rack

Interior

- 1.95m (6'5") headroom
- New wide panoramic front sunroof and surround
- Additional background lighting to front 'A' pillars
- 'Graceland' soft furnishings scheme
- Luxury curtains with full width fabric on all side and centre front windows
- Twin curtain track for improved hanging and ease of use
- New curved upper locker doors in high gloss 'Aralie Sen' woodgrain with gloss Smoked Oak effect inlay
- 'Hessian' effect china locker doors
- Positive overhead locker catches for secure storage on the move with chrome handles
- Overhead locker doors with injection moulded spaceframe construction
- New side corner opening lockers for extra storage
- Chrome effect sockets and switches
- Increased internal space offers long front beds with bolster cushions that remain in place and double as headboard (except 'L' lounge 630 model)
- Thermoformed seat and backrest ventilation boards with bevelled back for better cushion angle and heating performance
- Cast foam seating for improved comfort and durability
- Fixed bolsters either side of front chest with integrated rear heating vents (except 'L' lounge 630 model)
- Sectioned removable carpets for flexibility
- 'French Oak' effect, high impact, scratch resistant floor ino
- New decorative 'Ocean Drive' wall covering (480 only)
- Two large scatter cushions and two bolsters
- Seat bases with spaceframe construction, full front access and space for larger items
- Seat and backrest ventilation boards
- Beech slat seat and bed bases for extra comfort with sprung hinged tops for easy access
- Bed make-up system with slats retained on track
- Exclusive and more durable Duvalay Duvalite Apollo mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable (fixed bed models only)
- Fixed beds with aluminium bed frames to maximise strength and storage space
- Access flaps in fixed bed surrounds and day seat ends
- Areas under beds and seats, and washroom areas warmed by Alde perimeter radiators
- Front chest of drawers with convenient slide-out extending top
- Mini Heki clear roof lights in kitchens and bedrooms
- Large dining table for full-size plate settings
- FENIX NTM® kitchen worktops (resistant to scratches, hygienic and easy to clean) and underslung stainless steel sink
- Removable drainer and food grade nylon chopping board nestle together for easy storage in dedicated location
- Kitchen illuminated splashback
- Kitchen work top extensions (model specific)
- Two cutlery drawers on smooth-action steel runners, one above fridge
- Two pull-out wire baskets in kitchen cupboard
- Kitchen drawer runners for smooth operation
- Chrome finish crockery rack
- Chrome effect swivel spout kitchen and vanity taps for improved use
- Redesigned washroom incorporating 'illuminated' shower console (model specific)
- 32mm thick washroom door with domestic style lock and handle
- New more durable shower tray (model specific)

- Shower bi-fold door retained on track for improved access (model specific)
- Folding washroom ceiling mounted garment hanging rail (model specific)
- New Micro-Heki roof light in washroom
- Door flyscreen with easy concertina action
- Pleated blinds and fly nets to all windows
- Retained embroidered entrance mat

Equipment

- Enhanced Swift Command control system with updated 'user friendly' app interface:
 - Pre-installed Thatcham Category 6 approved pro-active tracker (subject to annual subscription)
- Swift Command Intelligent power supply unit with LCD control panel; Functions include, battery selection, battery state meter, lighting and water pump circuit controls, internal & external temperature, internal humidity levels, 230V load limiter (settable between 5 amps & 16 amps), solar panel charging levels, heating controls and Bluetooth connection
- New fridge control and monitoring
- New Dometic Freshjet aircon control (dealer fit option)
- Swift Command app allows certain functions to be controlled/monitored remotely and comes with;
 - Remote levels viewing
 - Remote control of power, lighting and heating
 - Enhanced remote heating controls with New heater status bar
- New 'Places of Interest' feature including 'Campsites' from the Camping & Caravanning Club

- ALDE radiator central heating and water heating with daily programming with LCD touch screen control and choice of 1kW, 2kW or 3kW setting
- Boiler mounted heating circulation pump with manual override to assist with system air bleeding
- ALDE washroom radiator in all models
- Digital programmable controller for heating and hot water with ability to be remote controlled via Swift Command
- Waste bin on lower entrance door
- Dometic oven
- Glass hob lid with safety cut-out feature
- Ventilated microwave oven with digital controls built at an easily accessible level
- Tall slimline Dometic 134 litre electronic ignition fridge incorporating 12 litre removable freezer compartment in 480, 560, 565, & 580
- Under counter Dometic 110 litre electronic ignition fridge incorporating 12 litre removable freezer compartment in 630
- 190 litre Dometic electronic ignition double door fridge freezer with 35 litre freezer capacity in 645 & 650
- OmniVent three speed, two way roof fan
- Ecocamel Orbit shower head with on/off button for a powerful shower that uses less water
- Thetford C260 toilet with electric flush and 18 litre wheeled waste tank
- High flow rate in-board pump with chrome effect taps for reliable, high performance water supply
- New 30 litre internal fresh water tank with additional external pump for filling or direct feed to taps in all twin axle models
- Addition of water tank gauge and filling function on Swift Command power supply unit
- Inboard semi-rigid fresh water pipes
- Large bore underslung rigid waste pipes
- Isolation taps for gas appliances
- Fully protected mains electric system
- 25 amp switch mode charger/transformer

- TV station with 230V, 12V and aerial sockets (two in selected models)
- TV bracket including a travel lock where fitted
- Radio/CD/MP3 player with iPod connection with upgraded premium radio speakers
- Status 570 directional Digital / Analogue TV/FM aerial and booster
- 80W roof mounted solar panel
- Enhanced lighting
- Over-locker lighting and recessed ceiling lighting LED throughout
- Low energy LED lighting system throughout with over-locker lights, dimmable task lights and low level night lights
- New additional background lighting to front A pillars
- New illuminated fixed bedhead board
- LED downlighters set in plinth over kitchen locker
- LED back-lit acrylic kitchen splashback
- Adjustable under locker LED lighting
- LED backlights in washroom mirrors
- Light above wardrobe
- Minimum of six 230v sockets including two in compact front shelf pod
- 25 metre mains hook-up cable

Safety and Security

- Thatcham Category 6 approved pro-active tracker fitted as part of Swift Command system (subject to annual subscription)
- Convenient one-key high security locks
- AL-KO ATC trailer stability control fitted as standard
- Passive infra-red alarm system with tilt sensor and key fob operation
- AKS 3004 stabiliser
- Receiver for optional AL-KO Secure wheel lock
- Smoke alarm
- Carbon monoxide detector
- CRiS identity number labels on windows and caravan chassis
- Concealed security data chip within caravan construction

Customer Service

- Exclusive online Connect Direct account with direct access to Swift

Options

Factory fit

- Alternative fabric schemes including the SwiftShield stain-resistant, easy-clean fabric with soft suede like texture

Dealer fit

- AL-KO Secure wheel lock
- Wrap-around front seating in addition to drawer chest
- Weight plate upgrade (model dependent)
- Dometic Freshjet air conditioning unit (model dependent)
- Oyster satellite system (model dependent)
- Thule Elite G2 Two cycle rack

- New wider and lighter bodyshell with streamlined robust GRP front panel with New large panoramic sunroof and windows, LED front marker lights and wide gas locker door with single lever three point locking
- 80W roof mounted solar panel fitted as standard for enhanced independence and hail resistant GRP roof
- Full height robust GRP rear panel with exclusive LED light clusters, LED high level marker, LED brake light and LED side marker running lights for better visibility in poor weather
- New rear view camera for improved all round vision
- New 'Edge' alloy wheels with spare steel wheel
- BBQ point for al fresco cooking and 230V exterior socket
- 'Graceland' soft furnishings scheme and New curved upper locker doors in high gloss 'Aralie Sen' woodgrain with gloss Smoked Oak effect inlay with New side corner opening lockers for extra storage
- Increased internal space offers long front beds with bolster cushions that remain in place and double as headboard (except 'L' lounge 630 model)
- Exclusive and more durable Duvalay Duvalite mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable (fixed bed models only)
- FENIX NTM® kitchen worktops (resistant to scratches, hygienic and easy to clean) and underslung stainless steel sink with illuminated splashback
- ALDE radiator central heating and water heating with daily programming with LCD touch screen control and choice of 1kW, 2kW or 3kW setting and washroom radiator in all models
- Redesigned washroom incorporating shower console, Ecocamel Orbit shower head with on/off button for a powerful shower that uses less water and shower bi-fold door retained on track for improved access
- New 30 litre onboard fresh water tank with additional external pump for filling or direct feed to taps in all twin axle models
- OmniVent three speed, two way roof fan
- Dometic oven and Dometic electronic ignition fridge with freezer compartment
- Enhanced LED lighting throughout including New additional background lighting to front pillars and illuminated fixed bedhead board

Swift Cast foam seating
Cast foam seating gives a superior comfort level

SwiftShield fabric has a soft suede type feel and has been treated during manufacturing to resist stains. It is very easy to clean and just requires a soft cloth dampened with water to remove most stains. SwiftShield is exclusive to Swift Group, you can find out more on Swift TV.

www.swifttv.co.uk

VALUE ADDED PARTNERS

Swift is delighted to have secured exclusivity to fit the Duvalite mattress as standard in all fixed bed models across all caravan ranges. This innovative lightweight Memory Fibre Mattress is as comfortable as memory foam but has many other benefits. Constantly innovating Duvalay ensure our customers have the premium night's sleep they need and deserve.

Way back in 1994 Swift chose Alde heating systems to help make their caravans feel more like home. Proudly made in Sweden since 1949, Alde delivers the quietest, most comfortable caravan heating for the great explorers of the world, and keep on innovating to this day. Swift caravans are tested down to minus 15 degrees to ensure you stay cosy no matter where your journey takes you.

Swift recommend Oyster satellite TV and broadband. Permanently mounted dishes fold away neatly when travelling then raise and locate the satellite signal automatically seconds after activation. Made in Germany, they come with a 3 year warranty and there is a dedicated UK service centre.

Diamondbrite LEISURE

Swift are partnering with Diamondbrite Leisure - the ultimate in Paint & Upholstery Protection for your caravan. The exterior nano-ceramic treatment forms a high-gloss coating for easier cleaning and never needs polishing, while the upholstery protection resists staining. It is professionally applied at your dealership and comes with a lifetime guarantee plus complimentary aftercare pack.

CHOSEN CHARITY

Swift Group are proud to support a charity local to them called the Daisy Appeal. The Daisy appeal is giving loved ones faster, more accurate, diagnosis of three of the region's biggest killers – cancer, heart disease, and dementia.

The Charity's aim is to provide a world-class PET-CT scanning facility which will provide a comprehensive clinical service alongside an ambitious clinical research programme exploring new applications of imaging techniques.

Currently in the UK, most PET-CT scanning is carried out on cancer patients. However, it has great potential in various heart, neurological and other diseases. Many of these will necessitate the use of short half-life radioactive 'markers' which will need to be manufactured on site. Hence the requirement of a purpose built cyclotron, radiochemistry and radiopharmacy facility.

For every caravan, motorhome and holiday home sold, Swift Group make a donation to the Daisy Appeal, helping them to reach their goal of becoming the UK's number one PET-CT service.

To find out more visit www.daisyappeal.org

PURE ASSURANCE

The difference is Swift

Your head says you need a caravan that's durable, functional, comfortable, safe and secure. Your heart wants great design and a great choice. With Swift Group you can have the best of both worlds with the backing of a company established over 50 years.

DURABILITY

- Unique SMART construction system
- Rigorous safety testing at Millbrook and cold chamber testing down to minus 15°C and beyond puts prototypes through conditions most products will never have to experience in a lifetime, this is all part of the Swift ethos to deliver the best product possible to you
- Balanced panel side walls with GRP outer and inner skins. GRP is more impact resistant than aluminium and can be easily repaired, ensuring long lasting good looks and securing your investment for the future
- Assured build construction with a manufacturer backed, free 10 year bodyshell warranty as standard on all caravans

FUNCTIONALITY

- Significant advancements in design and storage that optimise your living and sleeping space giving greater comfort
- A host of money saving developments including improved fuel efficiency and use of low energy lighting
- Alde heating
- Swift Command system, developed with Sargent Electrical, on all models
- Use of Computational Fluid Dynamics to help shape the bodyshell for better fuel consumption and safer towing

COMFORT

- Grade 3 classification of thermal insulation for all year round comfort
- Swift Cast foam seating for ultimate comfort
- Sprung beech slats for comfortable seating and sleeping
- Regency 100% bleach cleanable carpets designed to repel everyday spills, stains and dirt
- Exclusive Duvalay Duvalite mattresses on fixed beds with memory fibre technology

SAFETY AND SECURITY

- All Swift Group products are certified by the National Caravan Council to ensure they are both legal and safe
- All Swift caravans have European Whole Vehicle Type Approval to ensure compliance with strict weight, dimension and safety requirements
- Security includes a pre-installed Thatcham Category 6 approved pro-active tracker as part of the Swift Command system (subject to annual subscription)

STYLE AND CHOICE

- Modern desirable looks inside and out
- Models from entry level to top of the range luxury cater for a wide range of budgets
- Caravan weights to suit a wide range of tow cars

ESTABLISHED FOR OVER 50 YEARS

- Experienced company with over 50 years of manufacturing knowledge and dedicated long serving craftsmen
- Europe's No1 manufacturer of Caravans, Motorhomes and Holiday Homes
- Swift Group undertakes one of the most extensive research and testing programmes in the industry to ensure the design team can create products that set the industry standard for style, value and practicality
- Recycling waste and reducing carbon emissions is a fundamental part of the Swift ethos and initiatives are always underway to achieve further improvements wherever possible
- At the forefront of product design with exceptional style, inside and out, just wander into any Swift dealership to see for yourself

DEDICATED CUSTOMER CARE

- We believe our aftersales and customer care are the best in the industry - check out our customer testimonials at swiftgroup.co.uk/swift-group/testimonials
- **Swift Connect** - A multi-million pound investment programme in online technology enables dealers not only to order online, including spare parts, but also to check product availability and delivery dates
- **Swift Talk** - Swift Group's own dedicated social media site is the industry's most popular social networking site. Swift Group staff monitor the forum and answer questions daily, providing invaluable help and support. A number of key suppliers and dealers are also active Swift Talk members
- **Connect Direct** - Connect Direct is our exclusive aftersales service for the ultimate in customer care.

PURE STRENGTH

SMART is the basis of our intelligent construction system that is used across our entire touring caravan range

As the UK's leading leisure vehicle manufacturer, Swift Group undertakes one of the most extensive research and testing programmes in the industry and we are constantly looking at new and better ways to construct our products.

SMART is based on proven technology which provides a Strong timberless body frame with Modern desirable looks and a leading Aerodynamic shape that is highly Resilient to moisture, all wrapped up in a caravan that has undergone the most comprehensive Testing.

Balanced panel side walls with GRP outer and inner skins, a hail resistant GRP roof and GRP outer skin to the sandwich floor; creates a full GRP outer bodyshell making it even more resilient.

Carefully developed, SMART construction was only introduced once we were satisfied that it was truly fit for purpose.

Computer numerically controlled (CNC) cutting is used in the manufacturing process to provide accuracy and consistency time after time, to produce a high quality engineered product designed to give you a lifetime of smiles.

STRONG

The Strong timberless body frame uses 'PURE', a tough, hard polyurethane based product, that is totally impervious to water and has been proven through use.

MODERN

The SMART construction system uses Modern materials and has been developed to ensure the exterior profiles maintain the Modern desirable looks our caravans are renowned for.

AERODYNAMIC

We continue to lead the way in Aerodynamics using Computational Fluid Dynamics to help shape the bodyshell for better fuel consumption and safer towing.

RESILIENT WITH GRP SIDE WALLS

Balanced panel side walls with GRP outer and inner skins. GRP is more impact resistant than aluminium and can be easily repaired, ensuring long lasting good looks, securing your investment for the future.

TESTED

Extensive safety and durability Testing at the Millbrook track, and cold chamber Testing down to minus 15°C and beyond puts prototypes through conditions most products will never have to experience in a lifetime; all part of the Swift ethos to deliver the best products to you.

All fixings are made into the 'PURE' material to a pre-defined depth. 'PURE' is totally impervious to water and has no veins. This means there is no passage for water from the outer skin to the inner wallboard, making the caravan highly Resilient to moisture.

FLOOR CONSTRUCTION

'Sandwich' floor construction with ply upper, high rigidity Styrofoam core and GRP outer skin to provide greater durability from the elements.

PURE CONTROL

Swift Command is a real innovation designed to make your touring experience even more carefree.

The perfect tool for touring, Swift Command technology includes a smart LCD control panel that has enhanced functions.

There is also an exciting, free downloadable 'app' that links to the Swift Command unit, so you can be in control wherever you are with the convenience of your mobile device.

Access the clever onboard interface when nearby with Bluetooth or via your internet connection when remote.

Track system levels like power, temperature, humidity and monitor the location of your vehicle.

Custom notification settings keep you informed of functions such as battery levels, frost alerts and alarm status.

For even greater peace of mind you can subscribe to the pre-installed Thatcham Category 6 approved pro-active tracker to add extra security to your vehicle.

Swift Command Tracker by Sargent is monitored by an approved monitoring centre which operates 24 hours a day 7 days a week and provides European coverage and direct police liaison. This system is ready for use, all you need to do is purchase a tracking subscription by visiting www.swiftcommand.co.uk or calling Sargent on 01482 881655.

Head to the Apple or Android store and search for 'Swift Command'.

LIGHTING

Create just the right ambience onboard with easily adjustable lighting settings.

POWER

Track your energy use and manage your batteries for efficient use of your all important power services.

LOCATION AND REMOTE FEATURES

Connect to your leisure vehicle from anywhere to view its systems information and location.

Conveniently control and monitor your onboard services when away from your vehicle.

WATER

Keep an eye on your precious water levels so you know in good time when to top-up.

HEATING

Activate whilst out exploring and enjoy the warmth when you get back.

PURE SERVICE

Connect Direct is an online system which personalises each customer's experience of owning their caravan

Once you have logged on and created your profile, you will be able to access a whole host of information, specific to your caravan. In addition you will be able to have a direct line into the retail team, with the launch of a live chat facility.

Should a problem occur, you will be able to report a fault to us directly, enabling us to react

quickly and work together with your dealer to take the problem away from you the owner and resolve the issue as quickly as possible.

Product upgrades and notifications will be sent via Connect Direct keeping you up to date over the coming years. This online system provides a direct route for you into the Swift

Group, and enables us to provide you with proactive Customer Service support, enhancing your experience.

Connect Direct is in addition to the traditional methods of contacting us.

PURE SWIFT

Swift Group's design team is widely recognised as the most innovative and creative within our industry, often leading the future design of touring vehicles.

DESIGNED AND ENGINEERED

With a wide range of backgrounds including the automotive and interior design sector, our degree qualified engineers and designers draw from a wide range of influences to style our future products. They have the use of computer aided design and 3D rendering to create and analyse ideas before a prototype is even built.

The latest 3D CAD software uses data to drive the CNC machines in the factory to create highly accurate toolings for construction.

AERODYNAMICS

Swift Group work with a leading company, who are also consultants to the Formula 1 industry, to use Computational Fluid Dynamics (CFD) to study the aerodynamics of their product design. A full 3D simulation study shows the airflow and drag and can be used to help shape the bodyshells for better fuel efficiency and towing dynamics.

RIGOROUS TESTING

Everything is designed using sophisticated software and data gathered from physical testing at the Millbrook proving ground and cold chamber testing down to minus 15°C and beyond. Swift Group are able to simulate how components, fixtures and fastenings will react under certain conditions allowing build optimisation. This results in well engineered robust and durable products.

EXCLUSIVES

Swift Group work closely to build partnerships with their suppliers to bring exclusive features to their products. These include the following features on top of our innovations:

- Ultra comfortable Duvalay mattress on all fixed beds
- Clever stain resisting SwiftShield fabric

THE SWIFT EXPERIENCE

COUNTRY • COAST • FREEDOM

NOT YOUR AVERAGE TRIP TO THE COUNTRY

Wake up to the sounds of nature, feel the morning dew on your feet, hold a cup of tea in your hand as you experience the sunrise over the hills and the sunlight streaming through the trees.

CREATING
SMILES FOR
LIFE

BUILT IN BRITAIN

Morning breakfast made from the fresh local produce of the farm shop down the road, a bacon sandwich has never tasted so good. The days are full of possibilities; walking in bright green fields with sheep and cows, birds soaring high on the thermals and not a care in life, just anticipation of what is round the corner. Kids can be kids, running and playing, swimming in lakes, skimming stones, riding bikes, climbing trees and paddling canoes.

It's all about remembering the smiles on everyone's faces.

Live it. Experience it. Breathe it.

Adventure is allowing the unexpected to happen to you. Exploration is experiencing what you have not experienced before. How can there be any adventure, any exploration, if you let someone else – above all, a travel bureau – arrange everything before-hand?

Richard Adlington, Death of a Hero.

THERE IS NO PLACE LIKE THE COAST

S Seagulls soaring, the sound of the waves lapping at the shore, sand between your toes and the fresh sea air, it's the simple things in life that bring the most joy.

Bucket and spade in hand, building sand castles, collecting shells and soaking up the sun on the beach with an ice cream or candy floss; it's what the seaside is all about.

With coastal parks a stone's throw away from seaside adventures you can enjoy a prime holiday location with all the comforts of home. Imagine the kids playing happily with new friends while you relax nearby and even the dog can come too.

As the end of the day draws to a close, you get to relax in the comfort of your own caravan, head refreshed from the day's activities and ready for tomorrow's adventure.

With a Swift Group Caravan you have the freedom to roam at your pace, in comfort and style. You can be spontaneous or carefully plan your break away to create precious memories and tales to treasure for a lifetime.

The ocean stirs the heart, inspires the imagination and brings eternal joy to the soul.
