FLEXIBLE MOBILITY

JOIN US ON THE JOURNEY

Our cabins are available in both BOX and TRAIL versions.

The simpler and cheaper BOX versions appear larger but are, of course, made of the same high-quality sandwich panels as the TRAIL cabins. Our TRAIL cabins boast a round alcove which ensures outstanding aerodynamics.

You can choose and put together your additional equipment individually from the accessories list. Further accessories for comfortable and pleasant travel can also be found in our current interior fittings brochure "This & That".

Decide which cabin will be yours!
