# *ROOM FOR LUXURY.* ROOM FOR **EXPANSION.**

Weighing more than 7.5 metric tons and measuring up to 11.50 meters in length and 2.50 meters in width – the majestic appearance of the Liner Plus is an impressive sight for all to see. There are two powerful chassis to choose from: we have based the Liner Plus upon the Iveco Eurocargo and Mercedes Atego, which comes with a reliable 299 HP in-line six cylinder engine. The interior of the Liner Plus is just as stunning, with a perfect combination of high-end furnishings and maximum use of space. Choose one of the eleven floor plans or let us know what room layout you prefer – we will make your dream of having your own customised premium vehicle a reality.

— LINER —

The background image shows the interior of a luxury motorhome. It features cream-colored leather seating, a dark wood dashboard, and a well-stocked bar with various glasses and bottles. The lighting is warm and ambient, highlighting the high-quality materials and craftsmanship.

## *JUST NO* **FALSE MODESTY.**

### THE LIVING ROOM.

The exquisite interior design ensures travelling in a Liner Plus will be an unforgettable experience. Surrounded by beautifully crafted superior quality materials you will enjoy an almost unbelievable level of comfort and luxury. The Liner Plus offers three different furniture concepts. As standard, in the high-quality Noce look with high-gloss overhead locker furniture front panels with a cream white colour in the living area. Optionally, the furniture is also available in Atlas Cedar with overhead locker furniture front panels in Atlas Cedar with handle bars in stainless steel look or in Morettini Pear with overhead cabinet furniture front panels in high-gloss Morettini Pear. There is also an alternative to these three design concepts, namely overhead locker furniture front panels in high-gloss Senosan cream white. For a maximum in walking comfort, the floor coverings are available as standard in a ship's deck look or optionally in a slate look or in yacht-style.

## FOR CONNOISSEURS.

### THE KITCHEN.

The L-shaped kitchen of the Liner Plus is thought through down to the last detail. High-quality kitchen appliances, spacious cupboards and generous worktops fulfil the demands of even the most ambitious chef. And for those who prefer to let others do the cooking, simply delight in the sight of the fine décor.

# EVERYTHING **YOU COULD** *POSSIBLY WANT.*

## THE BATHROOM.

The bathroom landscape of the Liner Plus resembles that of a five-star hotel. High-quality fittings, a heated towel rail and the large shower all create a uniquely pleasant atmosphere. For a refreshing morning spa programme, for your home away from home.

## **OVERSIZED** *DREAMSCAPE.*

### THE SLEEPING SPACE.

The berths in the Liner Plus are very generously sized. This also applies to the rear bed variant as well as the pull-down bed. The bed systems in the spacious rear come with high-quality cold foam mattresses and spring bases. For a wonderfully relaxing good night's sleep.

# ENJOY **THE VIEW.**

## THE DRIVER'S CAB.

The modern and functionally designed dashboard with a centrally positioned radio navigation system can be operated both by the driver and the front passenger. The perfectly positioned operating elements, elevated seating position and the large bus mirrors ensure a better overview and safety in traffic. The optional two-tone leather-covered dashboard is integrated into the driver's cab in an automotive manner and forms a harmonious unit with the newly designed transition into the living area.

# THE FURNITURE LINES: *SHOW STYLE.*

## THE DESIGN CONCEPTS.

Three different design concepts create gorgeous spatial experiences. The Liner Plus is available in the exquisite Noce look with glossy cream white overhead locker furniture front panels in the living area. The modern Atlas Cedar or the classic Morettini Pear looks are also available as options. For Atlas Cedar furniture, the Atlas Cedar overhead locker furniture front panels are equipped with handle bars in stainless steel look. Furniture versions in Morettini Pear follow classically elegant lines, the furniture front panels are delivered in a high-gloss Morettini Pear. The overhead locker furniture front panels are also available in high-gloss Senosan cream white for all three furniture lines. For a maximum in walking comfort, the floor coverings in a ship's deck look, slate look or yacht style are perfectly matched to the respective furniture.

## STANDARD DESIGN VARIATION:

**ROOF CABINET FRONT:** GLOSSY CREAM WHITE (ONLY LIVING ROOM)

**BODY OF THE FURNITURE:** NOCE

**RECOMMENDED FLOOR COVERING:** YACHT OPTIC

**OPTIONAL FURNITURE FRONT PANELS:**

"HIGH GLOSS" SENOSAN CREAM WHITE (LIVING AND SLEEPING AREA)

## CREATE YOUR OWN PERSONAL CONCORDE.

OUR OPTIONAL FURNITURE COMBINATIONS OFFER YOU THE POSSIBILITY TO DESIGN THE AMBIENCE ACCORDING TO YOUR OWN LIKING. AFTER ALL, INDIVIDUALITY IS IMPORTANT TO US.

**ROOF CABINET FRONT:** ATLAS CEDAR WITH HANDLE BARS IN STAINLESS STEEL LOOK  
**BODY OF THE FURNITURE:** ATLAS CEDAR

**ROOF CABINET FRONT:** "HIGH GLOSS" SENOSAN CREAM WHITE  
**BODY OF THE FURNITURE:** MORETTINI PEAR  
**RECOMMENDED FLOOR COVERING:** SLATE LOOK

**ANTICIPATE MORE INDIVIDUALITY:** CHOOSE A FLOOR COVERING TO MATCH THE FURNITURE AS YOU DESIRE.

# EXPRESSIVE **AND PERFECTLY** *HARMONISED.*

## LEATHER AND FABRICS.

We offer a large selection of different full leather and microfibre covers; you can see some examples on the right side. All materials are finished with care in selected workshops in accordance with the strictest Concorde quality requirements. They are subjected to an innovative impregnating process so that they maintain their typical properties for as long as possible: Our microfibre fabrics are treated with ConLotus, our leather with Antisoiling Aquaderm X-Shield. Dirt does not stick, liquids roll right off, the look and smoothness stay the same. In addition, you can get the seating group with the Redonda seat and back upholstery developed by Concorde on request: It ensures optimum hold, relaxes the spine and protects the lumbar region.

# INTRINSIC VALUES: **TECHNOLOGY** *AND OTHER FEATURES.*

## JEHNERT SOUND SYSTEM.

The Jehnert sound systems are perfectly integrated into the motorhome environment. The system comprises a 3-way speaker in the driver's cab, a 2-way speaker in the living room, double-bass reflex subwoofer, a sound processor and vehicle-specific frequency crossover. The Hi-Fi systems are made in Germany and are optionally available for the Liner Plus.

## REAR BED WITH SPRING BASE.

In this modern sleeping concept, a sophisticated spring base replaces the slat frame used up to now. A high-quality cold foam mattress and the adjustable headpiece ensure a particularly high level of sleeping comfort. The rear bed with spring base is also part of the standard equipment in the Liner Plus.

## CONCORDE AIR-CONDITIONING SYSTEMS.

For perfect air conditioning, Concorde motorhomes can also be equipped with different air-conditioning systems on request. Depending on the floor plan, roof air-conditioning systems can be combined with underfloor air-conditioning systems. What's more, Concorde is the first company in the motorhome industry that has the **Premium Comfort Climate Label** from Truma. We therefore offer our customers the highest level of cooling comfort.

## MASTERVOLT.

The Mastervolt battery management system monitors the battery charging cycles, ensures perfect utilisation of the storage capacity and prevents deep discharge. The Mastervolt system supports the shore power if the mains connection is weak. It can be controlled using a clear control panel with a battery monitor and is available for all Concorde motorhomes.

FRONT ACCESS HATCH

DOUBLE FLOOR STORAGE AREA

FULLY INSULATED FRONT WALL

ALDE HOT WATER GAS CENTRAL HEATER

#### FRONT ACCESS HATCH.

Nice and tidy: The service and maintenance area is located behind the front access hatch. It provides easy access to all essential elements, such as water, oil and light bulbs so they can be easily checked, refilled or replaced.

#### DOUBLE FLOOR STORAGE AREA.

The new service flaps on Concorde motorhomes give optimum access to the intermediate floors. This makes loading and unloading this cross-cut storage space, even with bulky objects such as camping furniture, significantly easier.

#### FULLY-INSULATED FRONT WALL.

Exclusivity sometimes begins where nobody can see it: Concorde replaces the partition originally installed between the engine compartment and the driver's cab with a separating wall. As such, the vehicle is completely sealed at the front and optimally insulated (high level of winter suitability).

#### ALDE HOT WATER GAS CENTRAL HEATER.

Hot water and gas heating from Alde heats the vehicle evenly and thus maintains the natural air humidity. The temperature can be individually adjusted using the thermostat as well as a timer. Dust swirls – common with conventional fan heaters – do not occur. The boiler is equipped with electronic cartridges which can be inserted separately or together with the liquid gas. The Alde system features a non-return valve and an integrated hot water boiler which supplies all tapping points. It is included as standard in all Concorde motorhomes.

# UNLIMITED POSSIBILITIES.

## THE FLOOR PLANS.

Choose from eight different floor plans with two rear bed and three suite variations. What's more, our three Liner Plus models come with a garage – for even more independence on the go. If you have any other individual requests, please get in touch.

*"Our customers have dreams and we create the right spaces to make them come true."*

**Robin Schwarze, employee floor plan planning**

# WE ARE *PASSIONATE* **ABOUT** *MOTORHOMES.*

## THE ESSENCE OF MOBILE TRAVEL.

Concorde is committed to thinking like a manufacturer. We manufacture motorhomes of the highest quality for the highest demands. Every vehicle is unique, every vehicle is a masterpiece, classically hand-crafted in a traditional Franconian company, with unwavering passion, enthusiasm and inspiration. Because a passion for motorhomes is what unites the people at Concorde. And it is that which unites us with you.

*"Producing luxury motorhomes with high precision and in the finest quality as we would expect for ourselves is our aim – we only want to send our customers out on a journey when we have achieved this".* »»

**Björn Auer, Head of Production**

«« *"Quality is something you must see and feel. For us, it means ever-new challenges. Quality assurance is like running a marathon; every step counts! We can only reach our goal when everyone does their part."*

**Patrick Murphy, Head of Quality Management**
