FRANKIA MOTORHOMES 2022 ON A MERCEDES-BENZ PLATFORM

FRANKIA

Forward-looking partnership

What makes the partnership between FRANKIA and Mercedes-Benz so special? We drive things forward as a team. We are always pushing the limits together to achieve new goals. The result is iconic motorhomes focused on quality instead of quantity – like the self-sufficient FRANKIA PLATIN luxury liner, the T 7400 Low-Profile, the 3.5 t FRANKIA NEO or the Yucon by FRANKIA microliner.

Unique spaciousness

While others are stingy, FRANKIA M-Line models are very generous with what they have to offer: Enjoy full power under the hood and an extraordinary amount of living space in the interior. Whether in the Low-Profile with twin beds or the A-Class with round seating group or L-shaped seating group: All 5 t vehicles on the powerful Mercedes-Benz Sprinter chassis are unbelievably spacious.

Limitless variety

FRANKIA and Mercedes-Benz have written many success stories together. For over 48 years, we have been building exceptional motorhomes on a strong platform – and our goals for the future remain the same: To test the limits, always present ourselves in top form and give you the freedom to choose which FRANKIA best suits your needs. So for 2022, the (Mercedes) Star shines bright like never before.

From camper van to luxury liner: Yucon by FRANKIA microliner, 3.5 t FRANKIA NEO, FRANKIA PLATIN luxury liner or FRANKIA M-Line Low-Profile? It's your choice.

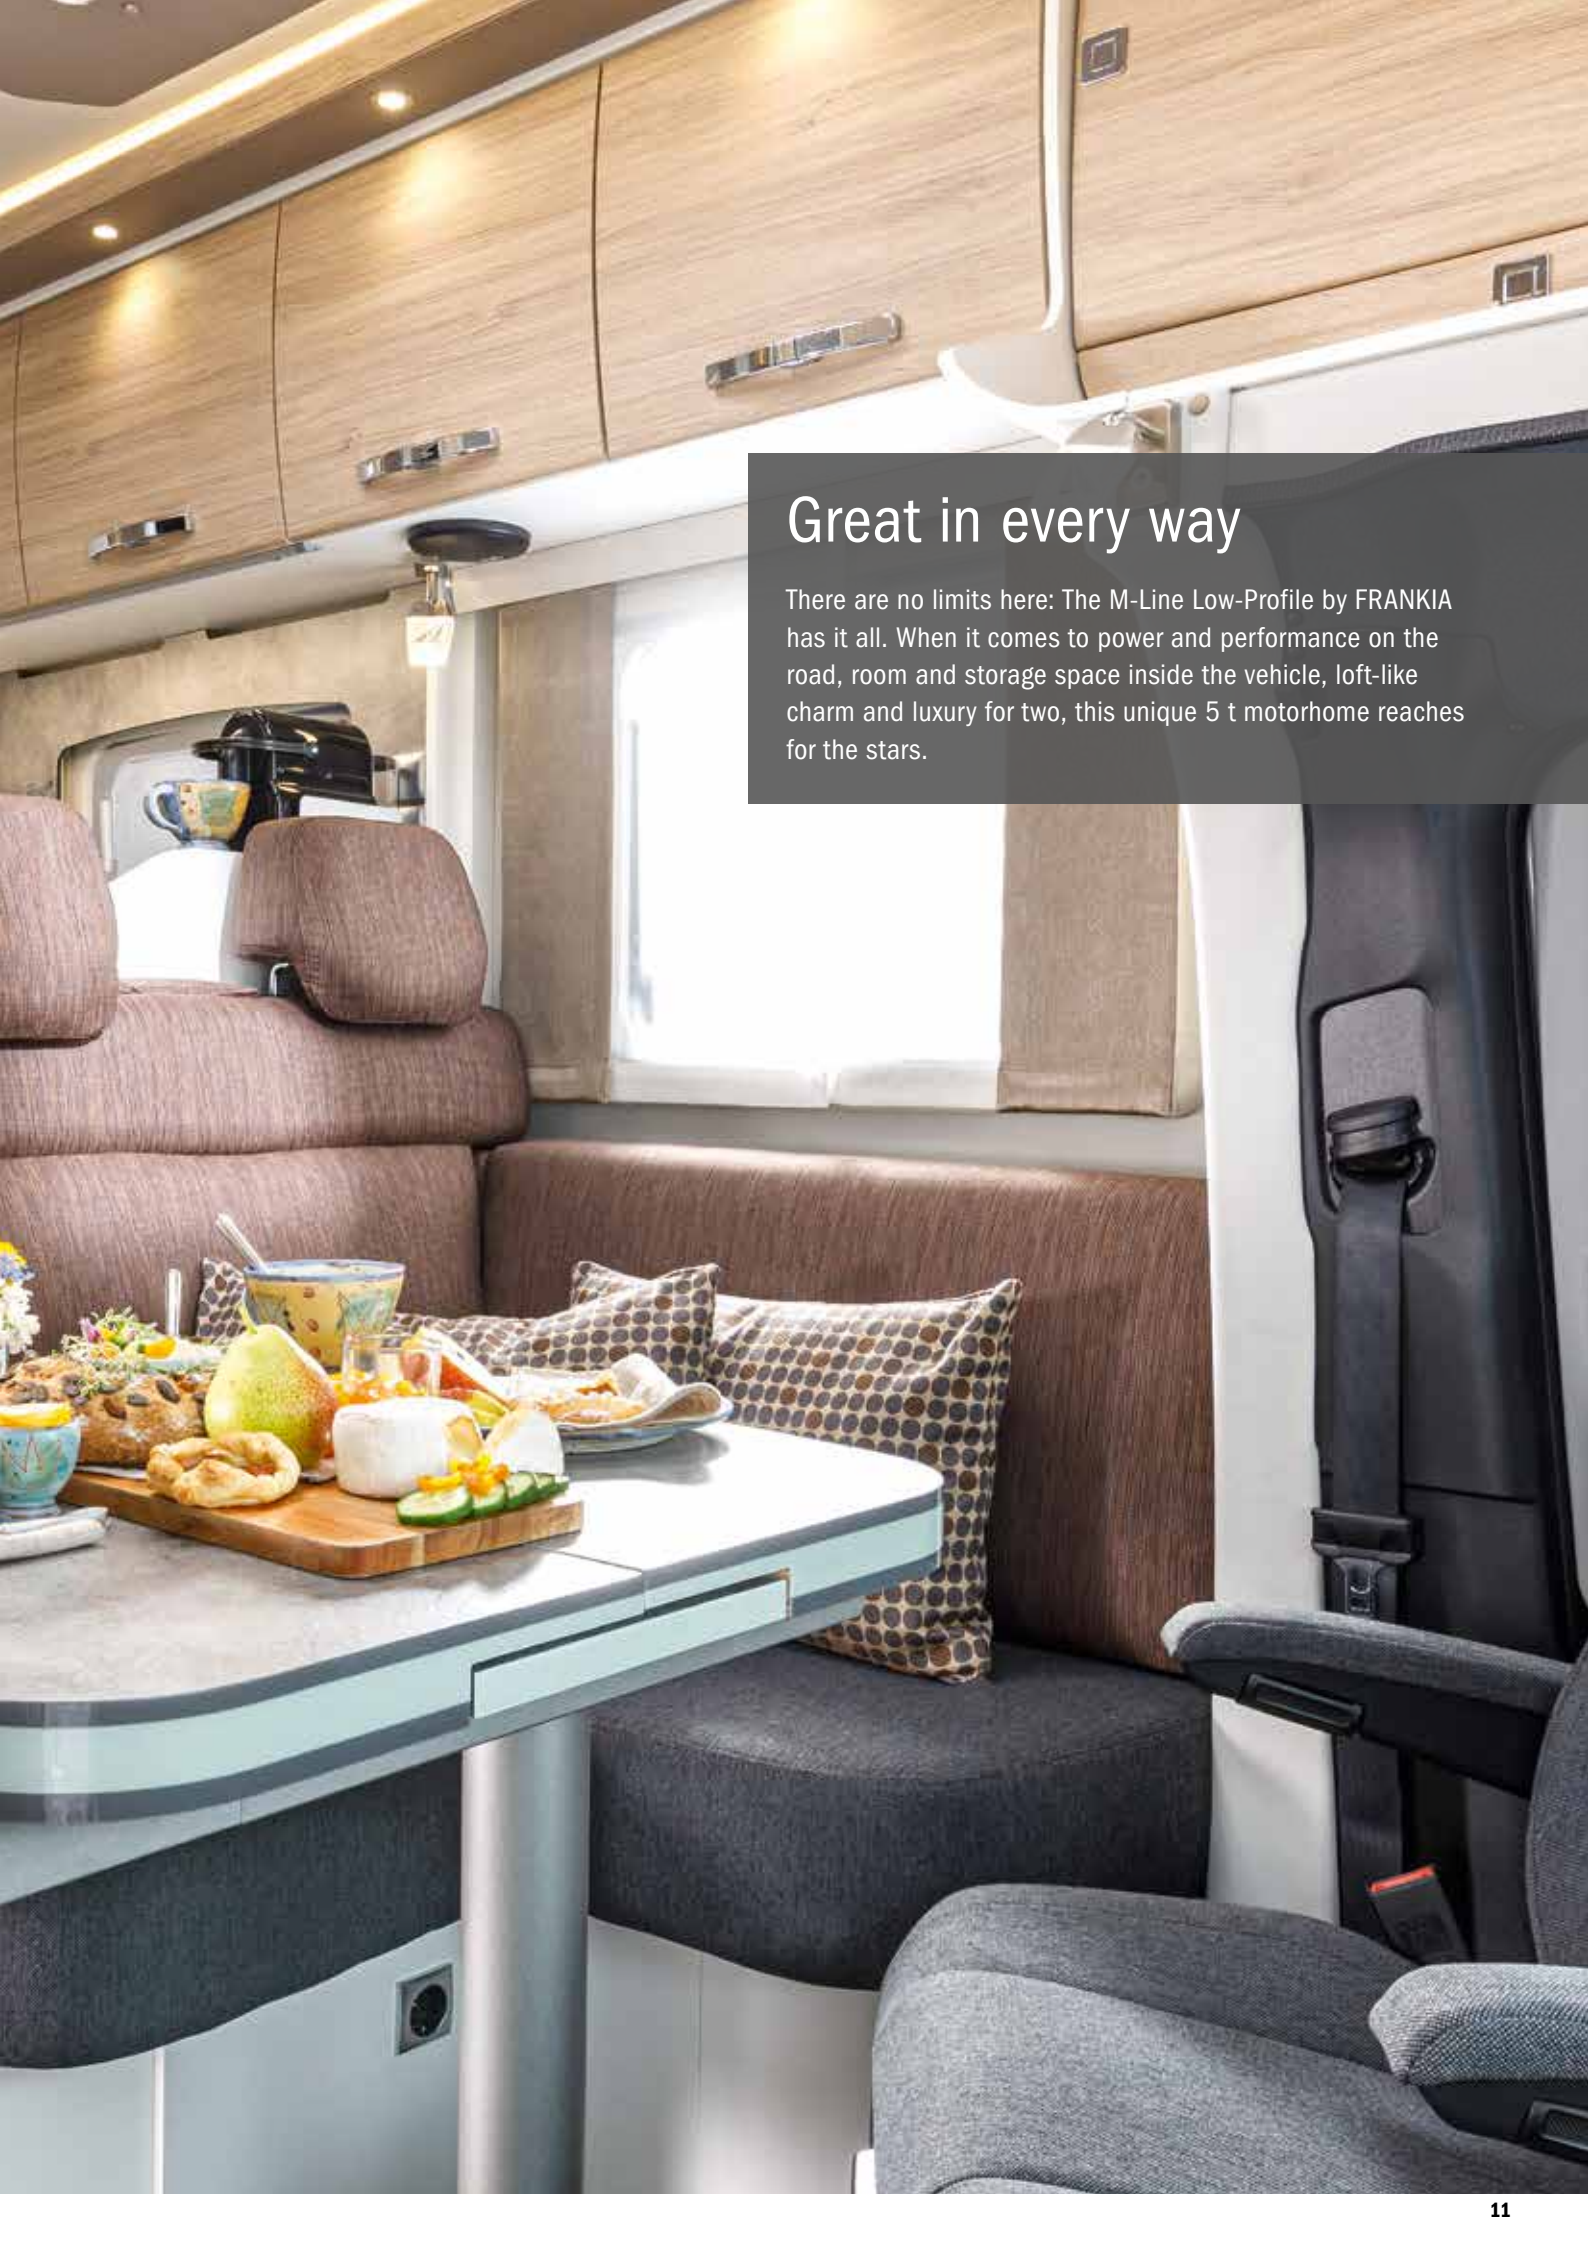

Lasting impressions

This is where unforgettable moments take place and special experiences are shared that will be remembered for years to come: As a couple or with friends – the extra-large panoramic round seating group in the M-Line 7400 Plus A-Class awaits you.

Great in every way

There are no limits here: The M-Line Low-Profile by FRANKIA has it all. When it comes to power and performance on the road, room and storage space inside the vehicle, loft-like charm and luxury for two, this unique 5 t motorhome reaches for the stars.

Extremely tasteful

The recipe for success for holiday cuisine in your FRANKIA kitchen is very simple: Just use the best ingredients. Premium materials, high-quality workmanship, smart ideas, precise craftsmanship and attention to detail make all the difference.

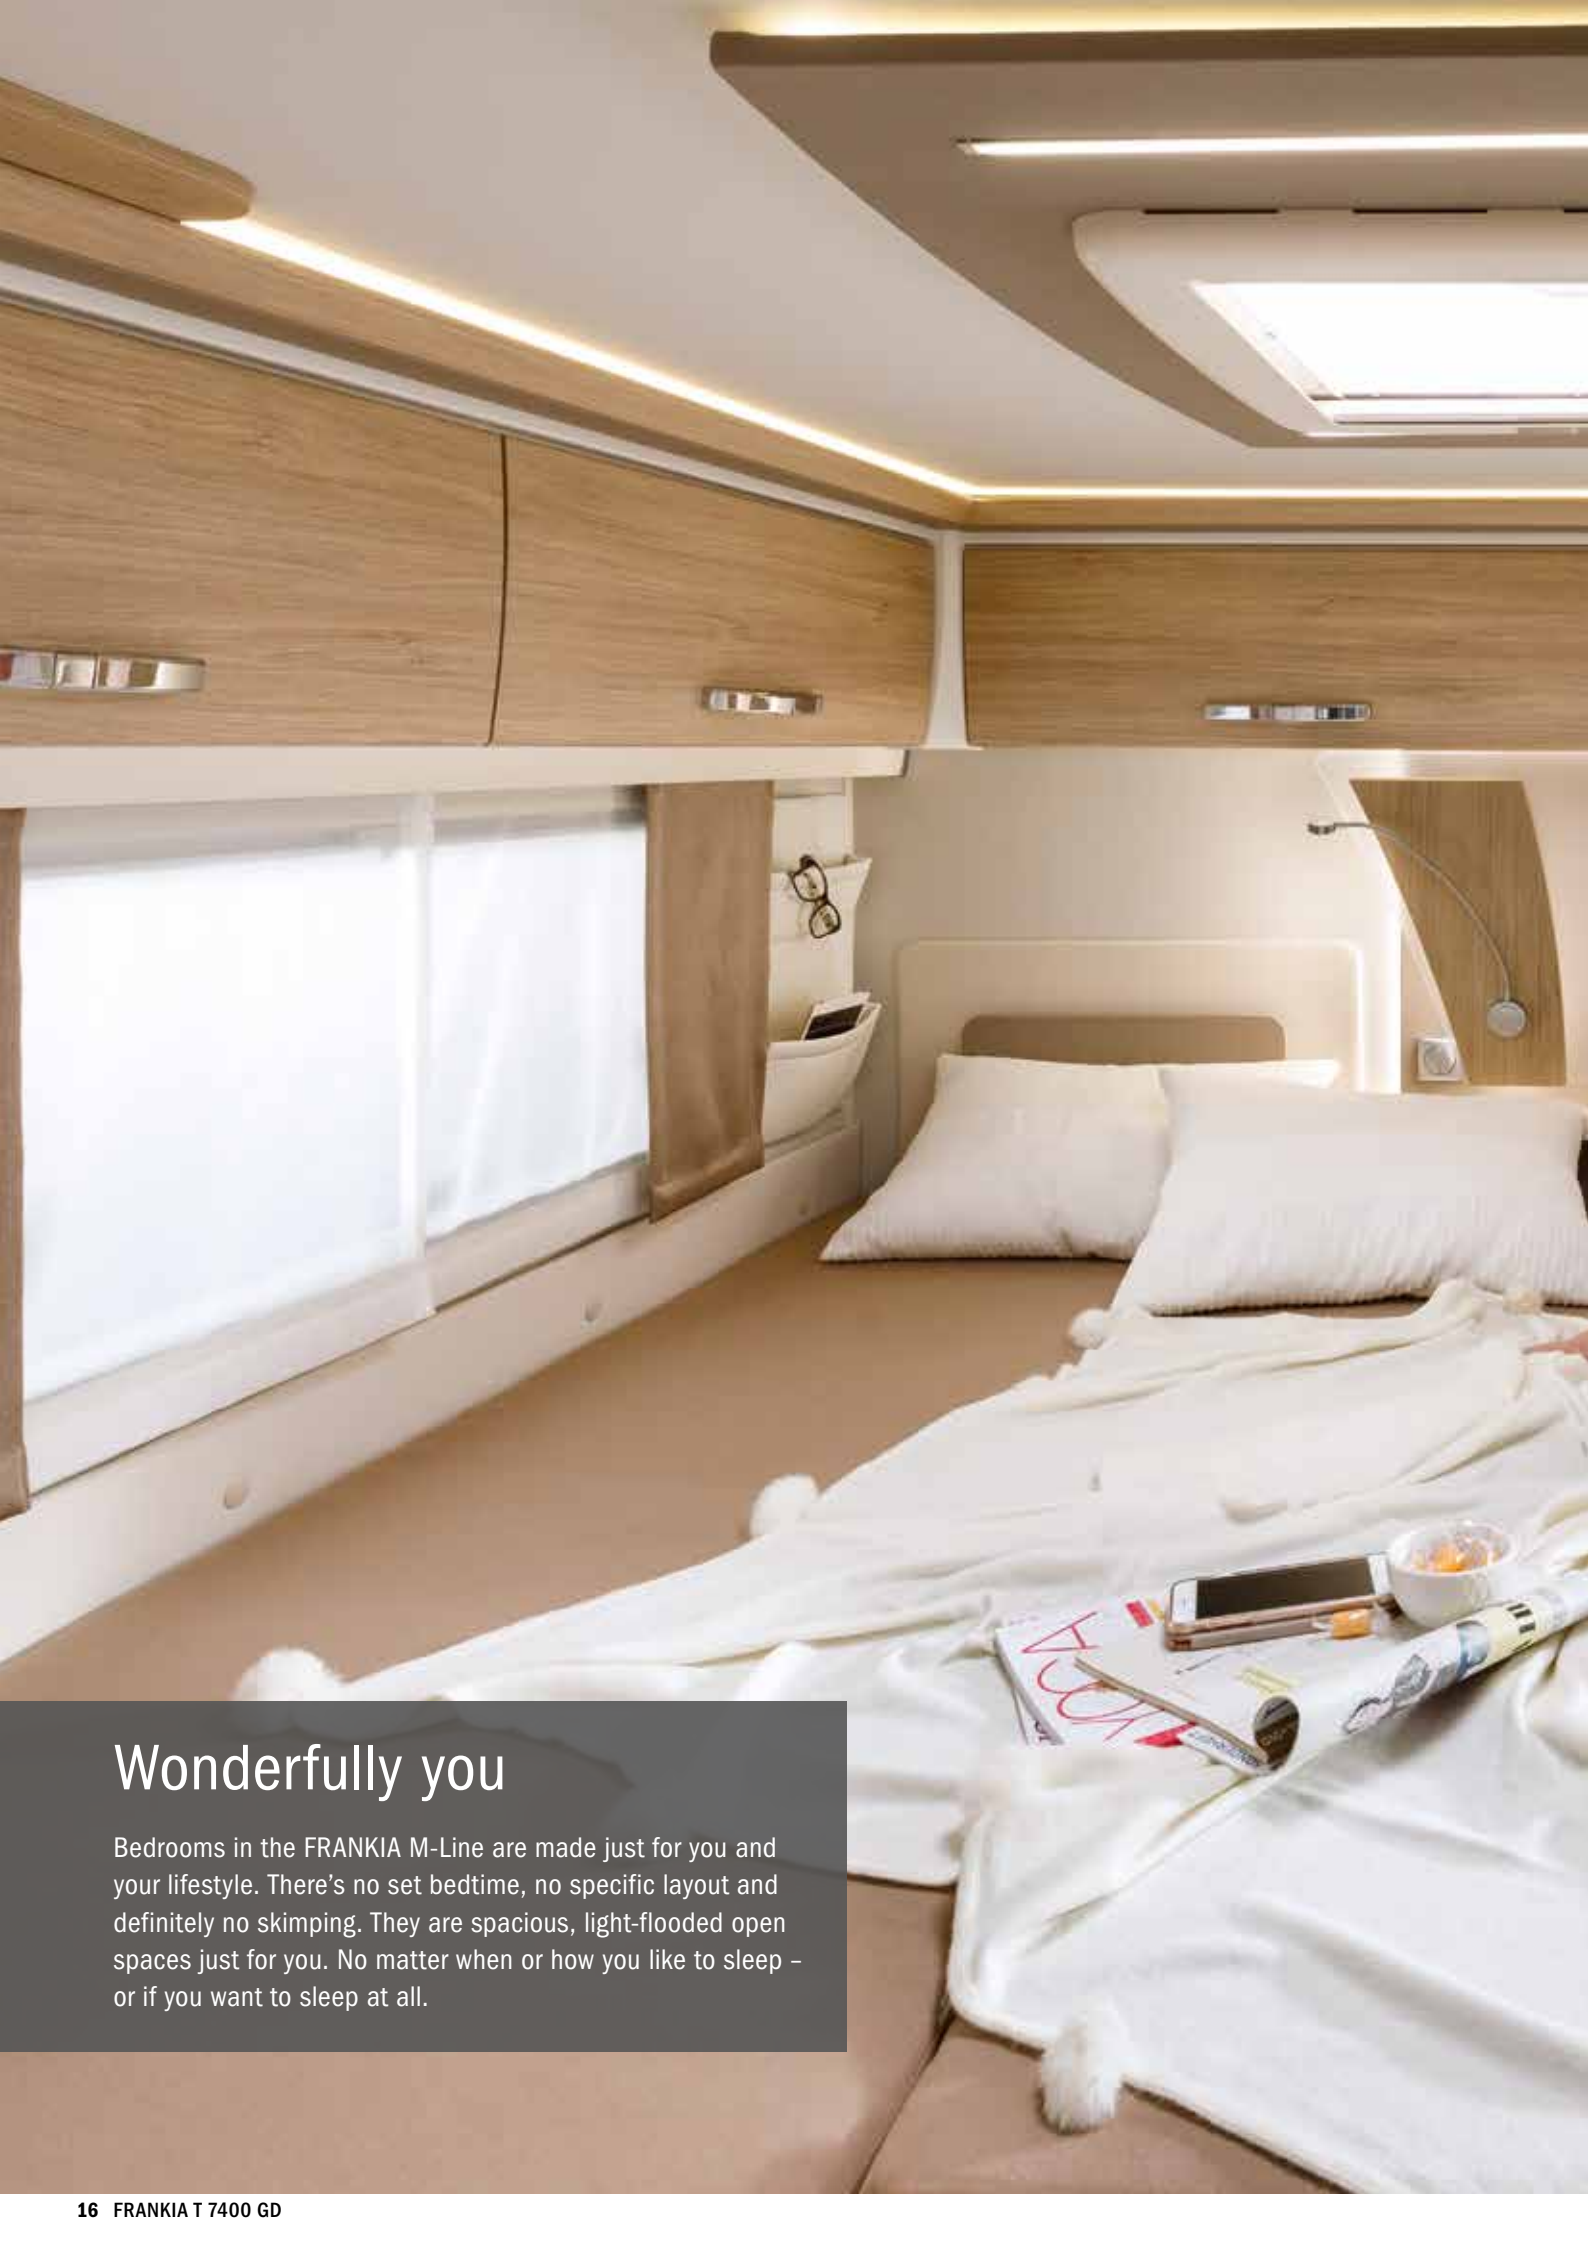

Refreshing details

Our commitment to quality is exceptionally high for every premium motorhome that bears the FRANKIA emblem. And you will notice this every day of your trip – from the moment you wake up and refresh yourself in your spacious spa-like bathroom.

Wonderfully you

Bedrooms in the FRANKIA M-Line are made just for you and your lifestyle. There's no set bedtime, no specific layout and definitely no skimping. They are spacious, light-flooded open spaces just for you. No matter when or how you like to sleep – or if you want to sleep at all.

Simply unique

Or: Uniquely simple. This is how the FRANKIA storage space system works: Take whatever you want with you! There's room for all your gear thanks to many clever solutions. And there's a place for everything: You can easily get to what you need, when you need it.

Absolutely winterproof

Your FRANKIA M-Line is the perfect companion even in the cold months of the year thanks to the one-of-a-kind FRANKIA Thermo Guard Plus wall structure, effective heating systems, heated double floor and sophisticated assistance systems.

Trendsetting, thrilling, modern

Highlights of the FRANKIA M-Line

FRANKIA makes the Mercedes-Benz star shine bright like never before: From the lightweight 3.5 t Low-Profile (FRANKIA NEO) and the FRANKIA M-Line A-Class premium liner to the fully equipped FRANKIA PLATIN luxury model.

Strong partners, new horizons

Never rest, continue to improve, set new benchmarks – this has always been the spirit that connects FRANKIA and Mercedes-Benz. 48 years ago, today and tomorrow.

One-of-a-kind model, luxury for two

FRANKIA exclusive: 5 t Low-Profile on a Mercedes-Benz platform – with gigantic panoramic roof, compartments all the way to the front of the vehicle, separate twin beds and a large seating group

Larger seating area, ideal for large groups

Only FRANKIA has it: Great round seating group meets Mercedes-Benz in the I 7400 PLUS, open floor plan for loft-like charm, sleep lengthwise in the power drop-down bed, up to 5.5 t possible

*Please note when planning your route: The navigation system does not account for specific vehicle weights and vehicle dimensions, meaning you may not be able to travel the proposed routes with your vehicle.

Powerful base, dynamic driving pleasure

Powerful rear-wheel drive with great traction, FSD technology, infotainment with MBUX*, innovative driver assistance systems (optional)

Maximum space, more out of life

Unbelievably spacious with 2.03 m of headroom in the light-flooded interior, completely stepless double floor, clever storage solutions in every corner – inside and out

Smart details, high-end comfort

Central supply system with self-retracting cable, up to 160 l fresh water tank, Thermo Guard Plus wall structure, Alde Compact hot water heating system – perfect for winter travel, too

Unique lightness, innovative vehicle

FRANKIA M-Line NEO: 3.5 t vehicle with impressive payload, powerful front wheel drive, premium storage space with Easy-Load concept, now with lengthwise or crosswise bed (new)

Uncompromising relaxation

You want to sit back and relax on your holiday. That's why we made sure your FRANKIA motorhome is equipped with everything you need for relaxing travel.
