

JAMES COOK 600 D

2026

JAMES COOK

The new James Cook : an icon in the world of camper vans.

Based on the Mercedes-Benz Sprinter, the James Cook sets new standards in the arena of panel vans. It blends robust engineering with clever design and luxurious equipment. It is the perfect choice for anyone who doesn't want to compromise when travelling, whether on a spontaneous break or an extended trip. The James Cook offers comfortable and generous living space as well as innovative solutions that make every kilometre a pleasure. High-quality materials, precise workmanship and a space concept that will impress. This is where driving dynamics meet a genuine premium feel. Elegant, powerful, uncompromising, **James Cook is not just a camper van, it is a mobile lifestyle statement.**

Clever storage

Space for everything you want to take with you.

The Westfalia James Cook always impresses with clever storage space solutions that are perfectly tailored to travelling. The spacious, modular rear garage offers space for bicycles, luggage or your sports equipment - ideal for spontaneous adventures and planned trips.

Directly behind the seat bench is a cleverly integrated wardrobe with a practical hanging space - discreetly integrated and optimally positioned to store clothes neatly and within easy reach. Everything in its place - stylish, organised and always within reach.

For all those who have a lot planned - but don't want to leave anything to chance.

XL rear cargo hold

for various transport options and outdoor shower with hot water!

The continuous worktop includes a built-in sink, a 2 gas hob
and creates room to manoeuvre in the kitchen

The 90L compression fridge
offers high-cooling efficiency and reliable performance

Practical kitchen block

Compact kitchen, great enjoyment.

The kitchen in the Westfalia James Cook impresses with a design that perfectly combines functionality, convenience and style - ideal for all those who value good food when travelling.

A high-quality stainless steel sink, the integrated two-burner gas hob and the spacious 90-litre compressor refrigerator leave nothing to be desired. Practical: the fridge is accessible from inside and outside of the van.

Numerous cleverly positioned storage compartments offer plenty of space for crockery, provisions and kitchen utensils. An apothecary-style pull-out keeps everything within easy reach.

Cook, enjoy, feel good - in the James Cook, the camper kitchen becomes your favourite place.

A timeless journey

Westfalia - freedom on wheels since 1844

For over 180 years, Westfalia has stood for a spirit of adventure, pioneering spirit and a longing for boundless freedom. The big breakthrough came in 1950 with the VW Kombi - a real home on wheels. Sofa bed, fold-out table, comfortable bench seat - everything you need to enjoy life on the road to the fullest. What began as a practical companion for explorers quickly became an icon: a symbol of travelling without limits and of life in the open air. Today, Westfalia is part of the renowned Rapido Group - and yet remains true to itself. With fresh, innovative strength and a clear focus on the essentials: Freedom, independence and unforgettable travelling experiences.

Westfalia - Because every journey is your story.
