STERLING CARAVANS
2015 MODEL RANGE

50
years
of Smiles
Est. 1964

Smile

Sterling Caravans are very distinctive and come with an interior style that has an up-to-date look; the kind of feeling found in many modern homes today.

Textured contrasts and colours, instead of wood, create a relaxing area with a feeling of light and space and exteriors can be distinguished by their graphite accents. With two specification levels to suit different budgets there is sure to be a model to suit you.

05
ECCLES SPORT
Outstanding value at weights that can be towed by most family cars.

15
ECCLES SE
Luxury meets affordability in this popular mid range.

TECHNICAL INNOVATION

A SMART MOVE WITH MODERN CONSTRUCTION

As the UK's leading leisure vehicle manufacturer, the Swift Group undertakes what is probably the most extensive research and testing program in the industry and we are constantly looking at new and better ways to construct our products. SMART is our intelligent construction system that is used across our entire touring caravan range.

SMART is based on proven technology and provides a Strong timber-less body frame with Modern desirable looks and a leading Aerodynamic shape that is highly Resilient to moisture, all wrapped up in a caravan that has undergone the most comprehensive Testing.

Carefully developed, the new system has only been introduced once we were satisfied that it was truly fit for purpose.

Computer numerically controlled (CNC) cutting is used in the manufacturing process to provide accuracy and consistency time after time, to produce a high quality engineered product designed to give you a lifetime of SMILES.

For more details see www.swifttv.co.uk or www.swiftgroup.co.uk

AERODYNAMIC

We continue to lead the way in Aerodynamics using Computational Fluid Dynamics to help shape the bodyshell for better fuel consumption and safer towing.

MODERN

The SMART construction system uses Modern materials and also has been developed to ensure the exterior profiles maintain the Modern desirable looks our caravans are renowned for.

STRONG

The Strong timberless body frame uses 'PURe', a tough, hard polyurethane based product, that is totally impervious to water and has been proven through use.

RESILIENT

All fixings are made into the 'PURe' material to a pre-defined depth. 'PURe' is totally impervious to water and has no veins. This means there is no passage for water from the outer skin to the inner wallboard, making the caravan highly Resilient to moisture.

TESTED

Extensive safety and durability Testing at the Millbrook track, and cold chamber Testing down to minus 15°C and beyond puts prototypes through conditions most products will never have to experience in a lifetime; all part of the Swift Ethos to deliver the best products to you.

Smile

ECCLES SPORT

With up-to-the-minute style and sporty exterior looks the Eccles Sport range provides outstanding value at weights that can be towed by most family cars.

Whether you want to kick back and relax or explore the great outdoors, the Eccles Sport comes with a choice of seven models including one twin axle model, so there is sure to be a layout to suit you.

Image shows optional 'Impala' scheme

Light and airy, our designers have taken modern day influences to lift the interior with hessian effect furniture, matt white locker doors and textured wall coverings.

The 'Pareto' soft furnishing scheme has seating fabric in a grey/brown woven texture with bright teal and matt gold cushions and complementary curtains. Loose rugs and sectioned removable carpets give you the flexibility to partially, or fully, expose the French Oak vinyl flooring. There is also an Impala fabric option as shown above.

A choice of flexible seating and sleeping arrangements are made more comfortable with the Duvalay Duvalite mattress on fixed beds.

Kitchens and washrooms are well equipped and new features include a Dometic fridge with removable freezer compartment and a bi-fold shower door, which slides on a track for improved use. It can also be locked down for transit. The Truma Combi boiler provides ample hot water and a 40W solar panel fitted as standard gives greater independence.

Side Fixed Upper Bunk		183cm x 57cm / 6'0" x 1'10"	

WEIGHTS: From the 2012 Season, the method of calculating the Mass in Running Order (MRO) and user payload figures was changed in order to bring it in line with European Vehicle Directives.

Allowances for essential equipment (e.g. gas cylinders) previously allowed for in the user payload are now contained within the MRO. A provision for a leisure battery which used to be within the essential equipment payload has now been included within the personal effects payload allowance.

Although the method of calculation has changed, the overall effect is that the amount of payload available to the customer has remained the same, it is just calculated in a different manner.

BED SIZES: Please note that the front double bed sizes quoted are for seating configurations without a chest of drawers. The front double bed width for a layout with a chest of drawers fitted, will be reduced by 0.4m (1'4") from that stated.

AWNING SIZES: Due to varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or awning manufacturer prior to purchase.

* The dimensions given are approximate due to slight variations in suspension ride heights, loading conditions and tyre pressures.

Customers should verify the actual dimensions of their touring caravan before committing to anything that could be impacted by these dimensions

Smile

ECCLES SE

Luxury meets affordability in this popular mid-range that offers a perfect combination of style and specification at weights that fall within a wide range of towing cars.

With four twin axle layouts in the nine model line up it also offers the ultimate in space. There is a new layout with spacious rear, central island bed and wardrobes either side in the 4 berth, twin axle Sapphire model.

Eccles interiors enjoy all the benefits that quality, modern design and attention to detail can bring with a striking 'Laval' soft furnishing scheme.

An exceptionally high specification includes Alde radiator central heating with a touch screen control, a solar panel and an exclusive 'Duvalay Duvalite' mattress, with lightweight memory fibre technology in fixed bed models, for an ultra comfortable nights sleep.

Pleated blinds and low energy lighting throughout including low level night lights, kitchen splash back and under worktop lighting lets you set the mood.

A wide choice of seating layouts combine with well equipped kitchens and an external BBQ point allows for alfresco cooking. Washrooms have separate shower cubicles with powerful Ecocamel shower head, a handy hanging rail, back lit mirror and the luxury of an Alde heated towel radiator.

- 01. Shock absorbers for a smoother towing experience
- 02. AL-KO ATC trailer control system for an enhanced towing experience (Except Sport models)
- 03. Step on hitch cover for easy cleaning of the front windows
- 04. Roof mounted solar panel for greater independence
- 05. External 230V socket (Except Sport models)
- 06. BBQ point for alfresco cooking (Except Sport models)
- 07. Ventilated microwave oven with digital control and built in at an easily accessible level
- 08. Dual fuel hob with 800W electric hotplate and 3 gas burners combined with a separate grill and glass fronted oven
- 09. Stylish and practical granite effect sink with removable drainer
- 10. Ecocamel shower head and hose which cleverly injects air directly into the water stream so you use less water while experiencing a more powerful shower
- 11. Bi-fold shower door on track for ease of use
- 12. Omnivent three speed, two way roof fan (Except Sport models)
- 13. Seat bases with spaceframe construction, full front access and space for larger items
- 14. Dometic 110 litre fridge with removable freezer compartment
- 15. Pull out chest of drawers with convenient front shelf pod
- 16. Bed make up system with slats retained on track
- 17. Positive locker catches for secure storage on the move
- 18. Low energy lighting system featuring:
 - Over locker lights and LED task lights (pictured)
 - LED kitchen splash back panel and worktop drip lighting (Except Sport models)
 - LED low level night lighting (Except Sport models)
 - LED back lights in washroom mirrors (Except Sport models)
- 19. Alde towel radiator in washroom (Except Sport models)

FEATURES

You can be reassured when you buy a Sterling Caravan that they all come with the following market leading features.

ECCLES SPORT

Exterior

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimension and safety regulations
- EN1645 Grade 3 classification for heating and thermal insulation
- Overall body width 2.25m/7'5"
- AL-KO galvanised steel chassis with Euro-axle
- SMART construction with Strong, moisture proof 'PURE' Polyurethane timberless framed body shell
- One-piece, 5000 Series marine grade aluminium sidewalls
- Stylish graphic scheme
- 25mm 'sandwich' sidewall construction with polystyrene insulation core
- Aerodynamic front in closed-mould GRP with wide front door
- Graphite gas locker door, hitch cover, skirts and wheel arches
- Full height moulded rear panel
- Fully bonded 32mm 'sandwich' roof for extra strength and flatness with polystyrene insulation core
- 44mm 'sandwich' floor with high rigidity Styrofoam core
- AL-KO Euro overrun device with two-way assisted handbrake
- **New** 'Scorpion' alloy wheels
- Steel spare wheel
- Higher tyre rating - a minimum of 150kg extra load margin at 130kph (law permitting)
- Shock absorbers for a smoother towing experience
- Higher payloads on twin axle models
- Semi-recessed body colour awning rail both sides
- Step-on hitch cover for easy cleaning of front windows
- High security locks with convenient one key operation for all locks
- 13-pin 'Jaeger' 12V car connector
- Bulkhead mounted regulator suitable for use with either propane or butane bottles
- Fully double-glazed opening windows (no single-glazed cold areas)
- LED awning light
- **New** One-piece exterior door with interior moulded liner, window and blind
- Exterior access battery box with mains electric inlet (battery not included)
- Aerial point in battery box for portable satellite dish connection
- Entrance step
- **New** Rain guards

Interior

- 1.95m (6'5") headroom
- Panoramic front sunroof
- 'Hessian' effect furniture with matt white locker doors and chrome effect fittings

- 'Pareto' soft furnishing scheme with four scatter cushion
- Two bolster cushions
- Twin curtain track for improved hanging and ease of use
- Sectioned removable carpets and floor rugs for flexibility
- French Oak effect, high impact, scratch resistant floor lino
- Round edge wall mirror in lounge (with textured back panel in specific models)
- Beech slat seat and bed bases with sprung hinged tops for extra comfort and easy access
- Seat bases with spaceframe construction, full front access and space for larger items
- Bed make-up system with slats retained on track
- **New** Exclusive 'Duvalay Duvalite' mattress with lightweight memory fibre technology - hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable (fixed bed models only)
- Fixed beds with steel bed frames to maximise strength and storage space
- Areas under beds and seats warmed by blown air system and underfloor ducting insulated to minimise heat loss
- Front chest of drawers with convenient slide-out extending top
- Large dining table for full-size place settings
- Positive overhead locker catches for secure storage on the move
- Overhead locker doors with injection moulded spaceframe construction
- Granite effect kitchen sink with complementary work surfaces
- Removable drainer with dedicated storage
- Food grade nylon chopping board withdedicated storage
- Chrome effect kitchen and vanity mixer taps
- Kitchen worktop extensions (except 524 & 640 models)
- Cutlery drawer on smooth-action steel runners
- **New** Second moulded cutlery drawer on smooth steel runner above fridge
- Two pull-out wire baskets in kitchen cupboard
- Midi-Heki roof window with flynet and adjustable concertina blind
- Door flyscreen with easy concertina action
- Cassette flyscreens and blinds on all windows

- Passive infra-red alarm system with tilt sensor and key fob operation

BUILD MARQUES

All Swift Group caravans come with a market leading 10 year bodyshell integrity warranty which is backed by Swift Group to give you extra peace of mind. They are also NCC and European Whole Vehicle Type approved, which means they have been built to comply with strict weight, dimension and safety regulations. Finally, all Swift Group caravans meet the Grade 3 standard for heating and thermal insulation, which means the interior warms up from minus 15°C to 20°C in under 4 hours and the water system still works. Crucially Swift Group proves this by using cold chamber testing, not just by mathematical calculation as many manufacturers do.

impala
just wipe it

'Impala'is a luxury upholstery fabric that combines a soft velvet feel with outstanding cleaning results and exceptional durability.

'Impala' is Exclusive to the Swift Group.

EXCLUSIVE TO
SWIFT GROUP

In addition to the 'Impala' fabric option, also exclusive to the Swift Group are the following market leading features.

Exclusive to the Swift Group, is the fitting of a 'Duvalay Duvalite' mattress in fixed bed layouts. Brought to recognition on Dragon's Den and now backed by Hilary Devey, the 'Duvalay Duvalite' is a new innovative mattress made with lightweight memory fibre technology. This hypoallergenic fibre remains as comfortable as memory foam but has many other benefits. Helping eliminate heat retention it gives superior temperature harmony, excellent pressure relief and is durable and resilient. It is resistant to dust-mite and is 100% recyclable. Being ultra light weight it also contributes to significant weight savings.

All Swift Group Caravans are fitted with the self-powered Thatcham approved TRACKER Retrieve system. This is one of the most effective tracking systems available, recognised by all police forces. Powered by its own battery, it is ideal while the caravan is in use or in storage. Activation of the system is via a specially negotiated annual subscription.

Glamour Shield is the UK's official provider of Supagard™ paint and fabric protection solutions to the leisure vehicle industry and the only provider recommended by Swift Group. Supagard™ is available as an optional extra. Ask your dealer for details.

All 2015 Swift Group Caravans are fitted with DMACK EcoXtra tyres. As one of only two suppliers to the FIA World Rally Championship, DMACK motorsport tyres have been tested to the limit across some of the world's toughest road conditions. This technical expertise has been transferred across the range of road tyres with a focus on quality, durability and safety. The EcoXtra tread pattern is specifically designed to provide low rolling resistance and delivers greater fuel economy for environmentally aware motorists.
