PROFESSIONAL

**Better Performance.  
Lower Emissions.  
Lower Running Costs.**

All Swift Motorhomes are powered by the greener and more fuel efficient

**Fiat Ducato Euro 5 Engine**

## The New Kon-tiki

Synonymous with impressive style and high standards, this top range enjoys an enviable combination of comfort, practicality and design innovation.

The distinctive body shell sits on a super low line AL-KO chassis and the Kon-tiki comes with a choice of four TAG axle models offering spacious accommodation for up to six people.

With all models now getting the new 150bhp Euro 5 engine with 6-speed gearbox as standard you can be assured of improved fuel economy and acceleration with lower CO<sub>2</sub> emissions. Exciting engine and automatic gearbox options are also available.

In addition to car like driving qualities, sleek exteriors have a striking silver cab with a dynamic graphic scheme tying it into the body.

The new cab interior gets the full 'car standard' treatment and passengers also travel in comfort with ergonomically shaped rear travelling seats. Professional designers have carefully co-ordinated the interiors with new 'Mali Acacia' wood grain offering richer colouring with a defined wood grain texture and contemporary fabrics.

Leather steering wheel with controls for radio/CD player >>

Leather gear knob and two automatic engine options >>

<< Factory fitted Burr-Walnut effect dashboard trim and fully integrated 'infotainment' system including radio/CD/MP3 player, Bluetooth mobile phone connectivity, USB iPod/MP3 device connection and a dashboard mount and audio connection for your own Tom Tom SatNav

<< New ergonomically shaped travelling seat for extra comfort

<< For easy cleaning combined with exclusive looks Impala stain resistant fabric is available as an option

<< Panoramic opening sunroof with spacious automotive style over cab lockers in low-line models

⌆ **New:** Low level night lights that also work en-route

Inside all models have an ultra low energy lighting system and double leisure batteries for greater independence.

Lighting is further improved with over locker ambient lighting, new adjustable cab reading lights and a low-level night light which can also be used en-route.

High-line models offer a cleverly-designed spacious overcab bed which features gas assisted struts, enabling it to be easily pulled down at night >>

<< Low-line models have the advantage of a sleeker, more aerodynamic profile housing a generous full-width overcab locker and a panoramic opening skyview window

<< **New:** Pull-out underfloor drawer for a water hose and electric cable reels

**New:** Over locker ambient lighting >>

Full-length recessed awning >>

<< **New:** Gas strut supports for exterior access doors for ease of operation

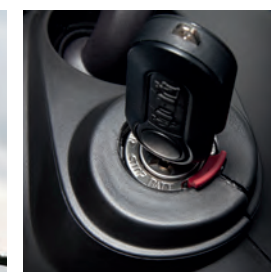

## A choice of flexible seating and sleeping arrangements combined with well equipped kitchens and washrooms.

Models with centre washrooms now benefit from a new washroom design with increased shower space and kitchens feature stainless steel appliances including a stainless steel effect large fridge freezer and a granite effect GRP sink with strainer co-ordinates with the work tops.

**New:** Roof and cable preparation for aerial or satellite installation (Dish/aerial not included)

**New:** Cab battery isolation switch to prevent discharge in storage

**New:** Twin view colour reversing camera, allowing en route use

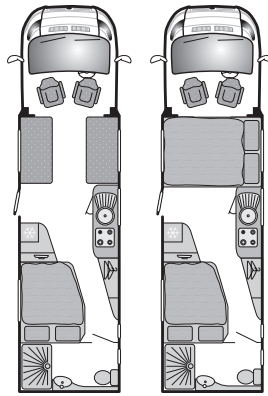

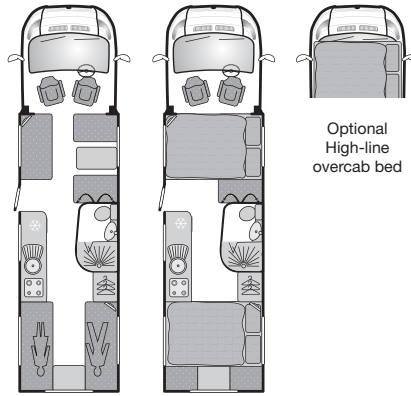

**New:** Eye level (not 659) consumer unit for the main 230V supply

**Optional High Line spec**

For High-line overcab option the following specifications changes apply:

Berths (sleeping positions)	+ 2
Mass in Running Order	+ 60kg
Maximum User Payload	- 60kg
Overcab Bed	1.91m x 1.37m/6'3" x 4'6"
Overall Height	3.08m/10'1"
All other specification as table	

**Notes**

- \* Add 120mm to the length and 110mm to height if ladder option fitted
- 1. The Maximum User Payload includes:
  - a) conventional load (this is the allowance for passengers)
  - b) essential habitation equipment (items of fluids required for safe and proper functioning of habitation equipment)
  - c) optional equipment (items available from the manufacturer over and above the standard specification)
  - d) personal effects (those items not effected by the above)
- 2. The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank / water tank & gas capacity.
- 3. Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. Passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboats, sports equipment etc.
- 4. The Maximum Trailer Weight is limited by the Gross Train Weight of 6000kg which must not be exceeded. For example if the vehicle is at the maximum MTPM of 5000kg, then the maximum trailer weight possible is 1000kg. Please consult your dealer for more detailed towing information.

You can be reassured when you buy a Swift Motorhome that they all come with the following market leading features

**Swift Plus Points**

- > European Whole Vehicle Type Approval ensures compliance with strict weight, dimensions and safety regulations
- > **New:** Cab battery isolation switch to prevent discharge in storage
- > Driver and passenger airbags
- > Concertina windscreen blind and side window blinds
- > Cab carpet (removable)
- > Heavy duty rear chassis members ready for optional towbar
- > Spare wheel and tyre
- > One-piece, 5000 Series marine grade aluminium side-walls finished in white
- > Full GRP rear panel with high-level brake light and camera housing
- > Key fob operated remote central locking of cab doors and entrance door
- > 44mm 'sandwich' floor with Xyligen treated WBP plywood and Styrofoam insulation core
- > Strong redwood body and floor framing impregnated to resist moisture and fungal attack
- > Fixing points for rear-mounted cycle rack
- > 12V exterior power point for pump filling of water tank (pump not supplied)
- > Roof and wiring prepared for solar panel installation
- > **New:** Easy-access eye-level consumer unit
- > Dual fuel hob with 800W electric hotplate and 3 gas burners
- > Digital control Smart Energy Selection fridge
- > Granite-look GRP kitchen sink
- > High impact, scratch resistant floor lino
- > Concertina action door flyscreen
- > Removable carpets in living area
- > Push-button locks on overhead locker doors

**Additional features**

**Chassis-Cab**

- > **New:** Fiat Euro5 150bhp, 2.3 litre Variable Geometry Turbo engine
  - 18% improvement in fuel economy and CO<sub>2</sub> emissions,
  - Up to 12% faster acceleration than Euro4 157bhp engine
- > Fully integrated factory-fit 'infotainment' system with:
  - **New:** Factory-fit radio/CD/MP3 player with switch-off timing adjustable up to 3 hours
  - **New:** Steering wheel controls
  - **New:** Bluetooth mobile phone connectivity
  - **New:** USB iPod/MP3 device connection
  - **New:** Dashboard mount and audio connection for customers' Tom Tom SatNav
- > Cab air-conditioning
- > Cruise Control
- > **New:** Leather steering wheel (with radio controls) and gear knob
- > **New:** Factory-fitted Burr-wood effect dashboard trim
- > **New:** Metallic silver cab
  - Driver and passenger seats both with:
    - Swivels
    - Height and rake adjustment
    - Two armrests
    - Fully upholstered covers
    - Base surrounds
  - > ABS brakes
  - > EBD (electronic brake force distribution)
  - > Immobiliser with rolling code
- > Variable power steering
- > Electric operated and tinted cab windows
- > Electrically adjusted and heated wing mirrors fitted with direction indicators
- > Headlamp height adjustment
- > Adjustable steering wheel position
- > Lockable (laptop PC size) central storage box
- > Two 12V sockets

**Body and Exterior equipment**

- > Fiat/AL-KO double floor, wide track chassis housing water tanks, plumbing, heating ducts and underfloor storage tray(s)
- > Low-line models with 'Skyview' panoramic opening roof-window
- > High-line models with large A-Class style aluminium framed, gas strut assisted over-cab bed
- > **New:** Exterior access doors supported with gas struts for ease of operation
- > **New:** Pull-out underfloor pannier locker for water hose and electric cable reels
- > 16" Alloy wheels
- > High specification entrance door with secure 3-point locking, hidden hinges, double seal system, and stepwell light
- > Flush fitting aluminium-framed double glazed opening windows
- > Two opening windows in high-line overcab area
- > Two Midi-Heki skylights with flynet and adjustable blind
- > Two LED exterior lights

- > Compartment for two 13kg gas bottles with fitted butane/propane regulator and propane hose with new 'Drivesafe' regulator
- > **New:** Twin view colour reversing camera allowing use en-route
- > One-piece GRP roof supported by 34mm sandwich construction
- > Full length recessed awning
- > Integrated longitudinal roof bars (load carrying cross bars and ladder optional)
- > Strong extruded aluminium skirts
- > Silver finished front bumper

**Living Area**

- > **New:** Ergonomically shaped rear travelling seats (except 659)
- > Adjustable swivel-arm coffee table
- > Two-position front seating arrangement providing L-shape lounge or two forward facing travelling seats (669 & 679)
- > **New:** 'Mali Acacia' woodgrain
- > 'Fleming' chenille standard fabric scheme; optional scheme in Impala stain resistant, easy clean fabric
- > Moulded over-cab base with storage recesses in high-line models
- > Moulded over-cab storage lockers in low-line models
- > Swift Group 'spaceframe' locker construction
- > Removable aluminium ladder to the over-cab bed in high-line models
- > Bed mattresses and lounge bench seat cushions supported by beech slats for extra comfort

- > Scatter cushions
- > Seat backrest ventilation boards
- > Free-standing table with dedicated storage location
- > Cassette flyscreens and pleated blinds on all windows - new type designed to reduce rattles en route
- > Domestic style mortice locks on washroom and wardrobe doors
- > Removable stepwell mat
- > Entrance doorway grab-handle
- > Smoke alarm
- > **New:** Carbon monoxide alarm

**Kitchen**

- > Kitchen extractor fan
- > 40 litre 230V/12V top access chest freezer in 659
- > 175 litre automatic energy selection fridge/freezer (112 Litre in 649 & 659)
- > Built-in microwave oven with digital controls
- > Granite-look GRP kitchen sink with removable drainer and dedicated storage
- > Food grade nylon chopping board with dedicated storage
- > Chrome finish brass pillar tap with long spout
- > Thermostatic oven and separate grill
- > Dual fuel hob with 800W electric hotplate and 3 gas burners with electronic ignition and flame failure protection
- > Pull-out storage baskets
- > Crockery storage tray with moulded pockets and retaining straps

**Washroom**

- > **New:** Washroom design with increased shower space in 669,679 & 649
- > Shower mat
- > Lower cupboard with built-in washbasin
- > Overhead storage locker
- > Thefford C250 swivel cassette toilet with electric flush
- > Chrome finish brass shower and mixer taps

**Heating and Plumbing**

- > Dual fuel Truma 6kW 'Combi' boiler with new Truma 'Drivesafe' regulator for en-route operation, routed into high-line luton and new routing to cab area
- > 120 litre under-floor, insulated heated fresh water tank with level sensor
- > 100 litre heated waste water tank with level sensor
- > Large bore rigid waste pipes insulated for winter use
- > Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- > Pressurised fresh water system with self-priming pump

**Electrical**

- > Two 95 amp-hour (Dir 2006/66/EC) leisure batteries in underfloor compartment
- > At least 7 mains 230V sockets (including two in cab area) (model specific)
- > **New:** Dedicated cupboard space for satellite de-coder with mains 230V and 12V sockets

- > Two TV stations (except 659), at least one suitable for 19" TV
- > Mains 230V supply via easy-access eye-level (not 659) consumer unit to sockets, fridge, microwave oven, combi-boiler and battery charger/transformer
- > 25amp charger/transformer for leisure batteries
- > Easy to use 12V control panel over doorway with touch controls for:
  - Vehicle/Leisure battery selection
  - Tank heaters and display of:
    - Tank levels
    - Vehicle and leisure battery state
  - > Ultra low energy lighting system:
    - LED spotlights and downlights
    - **New:** Over-locker low-wattage ambient lighting
    - **New:** Adjustable LED cab reading lights
    - Lighting in underfloor storage trays
    - **New:** Low-level night light
  - > Roof and cable preparation for aerial or satellite dish installation
  - > 25 metre mains hook-up cable

**Options**

- > **New:** Comfort-Matic automatic gearbox and upgrade to 180bhp, 3.0 litre VGT engine
- > **New:** Comfort-Matic automatic gearbox with 150bhp, 2.3 litre engine
- > 'Impala' stain-resistant, easy-clean seating fabric with soft nubuck texture
