MH2009/06/11

**FIAT**  
PROFESSIONAL

**Better Performance.  
Lower Emissions.  
Lower Running Costs.**

All Swift Motorhomes are powered by the greener and more fuel efficient  
Fiat Ducato Euro 5 Engine

## The New Sundance

Sector leading style with enhanced performance and even greater attention to detail.

Whether you want to kick back and relax or explore the great outdoors, the Sundance comes with a choice of two High-line and four Low-line models so there is sure to be a layout to suit you.

With all models now getting the new 130bhp Euro 5 engine with 6-speed gearbox as standard you can be assured of improved fuel economy and acceleration with lower CO<sub>2</sub> emissions.

All models feature a sleek GRP overcab pod.

The aerodynamic sculpting of the Low-line profile allows for large overcab lockers inside which are spacious enough for bedding. Inside the attention to detail is evident. Professional designers have carefully co-ordinated the interiors with new 'Mali Acacia' wood grain and chocolate fabrics with a contemporary pattern, kitchens are accented with cream locker doors and a microwave comes as standard.

Driver and passenger airbag as standard for improved safety >>

Pleated windscreens and cab side blinds for shade and privacy >>

⌆ Door way with easy access step well and pleated door flyscreen

⌆ Large 'garage' storage in 630G model

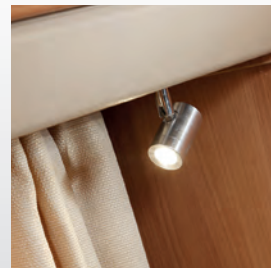

⌆ Positive locker catches for secure storage on the move

High-line models feature two lutan windows for extra light and ventilation and there is a comfortable gas strut assisted lift up lutan bed.

Dual fuel central heating and water heating with a Truma 'Drivesafe' regulator for en-route use keeps the interior warm and cosy including the well appointed washroom areas. High specification includes energy saving LED lighting which extends the life of your battery.

Digital control Smart Energy Selection fridge with electronic ignition >>

<<Low energy lighting system with soft white, high output LED lights

Stylish new dashboard with car like appeal and fully integrated factory fit radio/CD/MP3 player with switch off timing adjustable for up to 3 hours (Optional Drivers Pack fitted) >>

⤴ Closed-mould GRP rear panel for smooth finish, strength and ease of repair

⤴ Remote central locking to both cab and entrance doors

## There is a new specially priced Drivers Pack.

It comes with an upgraded radio/CD player with steering wheel controls, Bluetooth mobile phone connectivity and USB iPod/MP3 device connection, dashboard mount and radio connection for your own Tom Tom SatNav, a twin view colour reversing camera which can be used en route and a factory fitted Techno Silver dashboard trim. The pack is completed with cab air-conditioning and cruise control.

Twin view colour reversing camera, allowing en route use (part of Drivers pack)

Seat bases with spaceframe construction, full front access and space for larger items

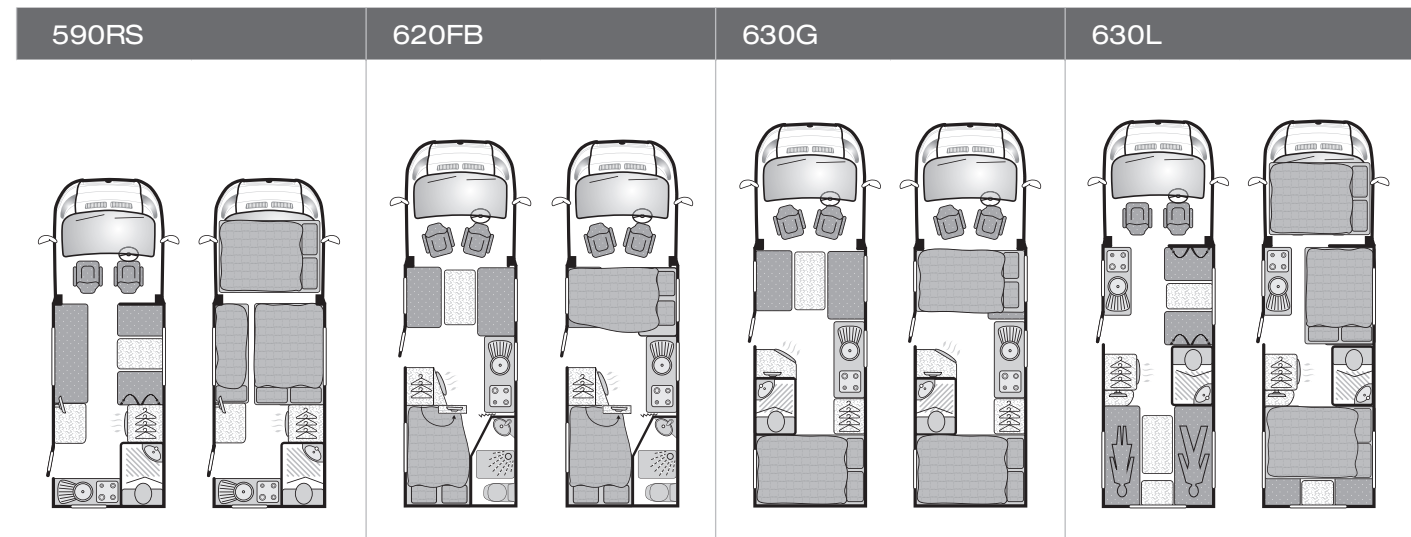

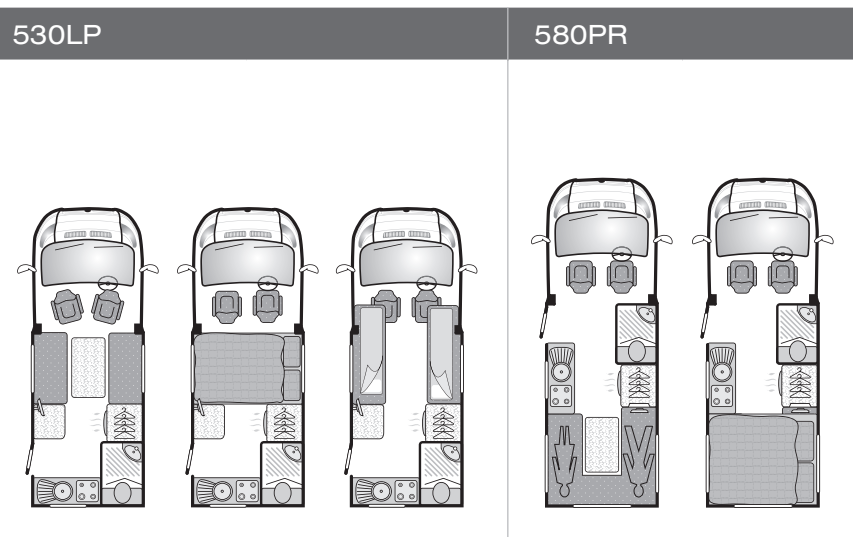

Useful under floor storage bin (580PR, 620FB, 630L)

Steering wheel control for radio/CD player (part of Drivers pack)

You can be reassured when you buy a Swift Motorhome that they all come with the following market leading features

**Swift Plus Points**

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimensions and safety regulations
- New:** Cab battery isolation switch to prevent discharge in storage
- Driver and passenger airbags
- Concertina windscreen blind and side window blinds
- Cab carpet (removable)
- Heavy duty rear chassis members ready for optional towbar
- Spare wheel and tyre
- One-piece, 5000 Series marine grade aluminium side-walls finished in white
- Full GRP rear panel with high-level brake light and housing for optional camera
- Key fob operated remote central locking of cab doors and entrance door
- 44mm 'sandwich' floor with Xyligen treated WBP plywood and Styrofoam insulation core
- Strong redwood body and floor framing impregnated to resist moisture and fungal attack
- Fixing points for rear-mounted cycle rack
- 12V exterior power point for pump filling of water tank (pump not supplied)
- Roof and wiring prepared for solar panel installation easy-access eye-level consumer unit
- Dual fuel hob with 800W electric hotplate and 3 gas burners
- Digital control, Smart Energy Selection fridge
- Granite-look GRP kitchen sink
- High impact, scratch resistant floor lino
- Sprung interior fixed bed mattress
- Lounge seat and bed tops with sprung support for easy access
- Concertina action door flyscreen
- Removable carpets in living area
- Push-button locks on overhead locker doors

**Additional features**

- Chassis-Cab**
- New:** Fiat Euro 5 130bhp, 2.3 litre engine - 9% improvement in fuel economy, - 7% lower CO<sub>2</sub> emissions than Euro 4 130bhp engine
- New:** Cab interior trim look
- New:** Dashboard design with fully integrated factory-fit Radio/CD/MP3 player with switch-off timing adjustable up to 3 hours
- Upgraded front suspension with higher ride height and comfortable handling
- Rear anti-roll bar
- Driver and passenger seats in 530LP, 620FB and 630G with:
  - Swivels
  - Position, height and rake adjustment
  - Two armrests
  - Fully upholstered covers
  - Base surrounds

- Driver and passenger seats in 580PR, 590RS and 630L with:
  - Position and rake adjustment (driver's seat also has height adjustment)
  - Armrest
  - Fully upholstered covers
  - Base surrounds
- ABS brakes
- EBD (electronic brake force distribution)
- Immobiliser with rolling code
- Variable power steering
- Electric operated and tinted cab windows
- Electrically adjusted and heated wing mirrors fitted with direction indicators
- Headlamp height adjustment
- Adjustable steering wheel position
- Lockable (laptop PC size) central storage box
- Two DIN sockets
- Body and Exterior equipment**
- Four Low line models with a sleek low-line profile housing large overcab locker set in smart moulded fascia
- Two High line models with a spacious luton housing a large, comfortable lift-up luton bed, gas strut assisted.
- Roof capping rails join the front GRP overcab to the GRP back panel for a fully integrated look
- GRP moulded skirts
- Gloss white finished front bumper
- Entrance door with two-point lock, pleated easy action flyscreen and window
- Stepwell for easy access
- Electrically operated single entrance step with buzzer warning and automatic retraction
- Service door for underseat/bed storage
- Underfloor storage bin (620FB, 580PR and 630L)
- Double glazed opening windows with night-latch ventilation
- LED awning light
- 32mm sandwich construction walls with high density styrene core and one-piece aluminium skin
- 34mm sandwich construction roof with high density styrene core and one-piece aluminium skin
- Compartment for two 7kg gas bottles with fitted butane/propane regulator and propane hose
- Living Area**
- New:** 'Mali Acacia' woodgrain
- 'Factor' standard fabric scheme
- Lap and diagonal seat belts on all designated passenger seats
- Slide-out storage and adjustable bracket for 15" flatscreen TV (except 630G which has a fixed position for 19" TV)

- New:** Carbon monoxide alarm
- Kitchen**
- Digital control, Smart Energy Selection fridge. 97 litre in 530LP and 590RS; 112 litre in 580PR, 620FB, 630G and 630L
- Full oven, separate grill and dual fuel hob with 800W electric hotplate and 3 gas burners with electronic ignition and flame failure protection
- Glass hob lid with safety cut-out feature
- Built-in microwave oven with digital controls
- Granite-look GRP kitchen sink with removable drainer and dedicated storage
- Food grade nylon chopping board with dedicated storage
- Chrome finish brass pillar tap with long spout
- Thermostatic oven and separate grill
- Multi-directional clear rooflight with pleated flyscreen and blind
- Washroom**
- 35mm thick door
- Plastic lined shower area
- Folding doors to create dry area for toilet, towels etc.
- Lower cupboard with built-in washbasin
- Theford cassette toilet with electric flush and 18 litre wheeled tank
- Chrome finish brass shower and mixer taps
- Multi-directional clear rooflight with pleated flyscreen and blind (except 580PR which has an opening window)
- Heating and Plumbing**
- Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- Dual fuel 3kW gas and 2kW electric blown air central heating
- Dual fuel gas and 850W/1300W electric storage water heater
- New:** Truma "Drivesafe" regulator for en-route use of heating and water heating
- 90 litre under-floor, insulated fresh water tank with level sensor (94 litre 580PR)
- Pressurised fresh water system with self-priming pump
- 68 litre waste water tank with level sensor (60 litre 580PR)
- Butane/propane regulator and connection hose for propane
- Electrical**
- Mains 230V supply via easy-access eye-level consumer unit to sockets, fridge, microwave oven, heater, water heater and battery charger/transformer
- 25amp charger/transformer for leisure batteries
- 95 amp-hour (Dir 2006/66/EC) leisure battery in underfloor compartment (Space for 2nd battery, not supplied)
- Folding doors to create dry area for toilet, towels etc.
- Five 230V sockets in 620FB, 630G and 630L; four in 530LP, 590RS and 580PR

- Easy to use 12V control panel over doorway with touch controls for:
  - Vehicle/Leisure battery selection and display of:
  - Tank heaters (optional)
  - Tank levels
  - Vehicle and leisure battery state
- Low energy lighting system with soft white high output LED lights that save typically 70% energy compared to conventional lighting
- Power supply for satellite dish installation
- 25 metre mains hook-up cable
- TV station with flatscreen bracket 230V, 12V supply and co-ax link to outside connector
- Options**
- Comfort-Matic automatic gearbox with Fiat Euro 5 150bhp, 2.3 litre Variable Geometry Turbo engine - similar fuel consumption to 130 but stronger performance (only available in conjunction with Driver's Pack)
- Special value Drivers Pack** with:
  - Upgraded radio/CD player with Bluetooth mobile phone connectivity, USB iPod/MP3 device connection and steering wheel controls
  - Dashboard mount and audio connection for customers' Tom Tom SatNav
  - Twin view colour reversing camera allowing use en-route
  - Factory-fitted 'Techno' silver dashboard trim
  - Cab air-conditioning
  - Cruise control
- Winter Pack** with:
  - Fresh and waste water tank heaters
  - Waste pipe insulation
  - Fridge vent covers
- Full length roll-out awning
- Impala stain resistant, easy-clean fabric

**Notes**

- \* For Optional Roof Ladder add 200mm
- 1. The Maximum User Payload includes:
  - conventional load (this is the allowance for passengers)
  - essential habitation equipment (items of fluids required for safe and proper functioning of habitation equipment)
  - optional equipment (items available from the manufacturer over and above the standard specification)
  - personal effects (those items not effected by the above)
- 2. The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank / water tank & gas capacity.
- 3. Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. Passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboats, sports equipment etc.
- 4. Gross Train Weight must not be exceeded. Please consult your dealer for more detailed towing information.
